JAIL APPEAL

Senjo69 Charitable Remainder Unitrust
Inter Vivos Charitable Remainder Unitrust
Two Lives, Consecutive Interests

On this 18th day of June, 2014 I, Ronald W. Jones (hereinafter "the Donor"), desiring to establish a charitable remainder unitrust, within the meaning of Rev. Proc. 2005-54 and § 664(d)(2) of the Internal Revenue Code (hereinafter "the Code"), hereby enter into this trust agreement with Ronald W. Jones and Susan M. Jones the initial trustees (hereinafter "the Trustees"). This trust shall be known as the **Senjo69 Charitable Remainder Unitrust**.

1. *Funding of Trust.* The Donor hereby transfers and irrevocably assigns, on the above date, to the Trustee the property described in Schedule A, and the Trustee accepts the property and agrees to hold, manage, and distribute the property, and any property subsequently transferred, under the terms set forth in this trust instrument.

2. *Payment of Unitrust Amount.* In each taxable year of the trust during the unitrust period, the Trustee shall pay to Susan M. Jones (hereinafter "the Initial Recipient") until the Initial Recipient's death, and thereafter to Ronald W. Jones (hereinafter "the Successor Recipient"), a unitrust amount equal to five percent (5%) of the net fair market value of the assets of the trust valued as of the first day of each taxable year of the trust (hereinafter "the valuation date"). The first day of the unitrust period shall be the date property is first transferred to the trust and the last day of the unitrust period shall be the date of the death of the survivor of the Initial Recipient and the Successor Recipient. The unitrust amount shall be paid in equal quarterly installments at the end of each calendar quarter from income and, to the extent income is not sufficient, from principal. Any income of the trust for a taxable year in excess of the unitrust amount shall be added to principal. If, for any year, the net fair market value of the trust assets is incorrectly determined, then within a reasonable period after the correct value is finally determined, the Trustee shall pay to the Initial Recipient and/or the Successor Recipient (in the case of an undervaluation) or receive from the Initial Recipient and/or the Successor Recipient (in the case of an overvaluation) an amount equal to the difference between the unitrust amount(s) properly payable and the unitrust amount(s) actually paid. If the Charitable Recipient is not an organization described in §§ 170(c), 2055(a), and 2522(a) of the Code at the time when any unitrust payment is to be distributed to it, then the Trustee shall distribute that unitrust payment to one or more organizations described in §§ 170(c), 2055(a), and 2522(a) of the Code as the Trustee shall select, and in the proportions as the Trustee shall decide, in the Trustee's sole discretion. The unitrust amount shall be paid in equal quarterly installments at the end of each calendar quarter.

3. *Payment of Federal Estate Taxes and State Death Taxes.* The lifetime unitrust interest of the Successor Recipient will take effect upon the death of the Initial Recipient only if the Successor Recipient furnishes the funds for payment of any federal estate taxes and state death taxes for which the Trustee June be liable upon the death of the Initial Recipient. If the funds are not furnished by the Successor Recipient, the unitrust period shall terminate on the death of the Initial Recipient, notwithstanding any other provision in this instrument to the contrary.

4. *Proration of Unitrust Amount.* For a short taxable year and for the taxable year during which the unitrust period ends, the Trustee shall prorate on a daily basis the unitrust amount described in paragraph 2, or, if an additional contribution is made to the trust, the unitrust amount described in paragraph 6. If the Successor Recipient survives the Initial Recipient, the Trustee shall prorate on a daily basis the next regular unitrust payment due after the death of the Initial Recipient between the estate of the Initial Recipient and the Successor Recipient.

5. *Distribution to Charity.* Annually the Trustee shall distribute ten percent (10%) of the income of the trust equally to the charitable recipients and at the termination of the unitrust period, the Trustee shall distribute all of the then principal and income of the trust (other than any amount due the Initial Recipient and/or the Successor Recipient under the terms of this trust) to:(hereinafter "the Charitable Organizations"). If the Charitable Organization is not an organization described in §§ 170(c), 2055(a), and 2522(a) of the Code at the time when any principal or income of the trust is to be distributed to it, then the Trustee shall distribute the then principal and income to the other organizations listed or one or more organizations described in §§ 170(c), 2055(a), and 2522(a) of the Code as the Trustee shall select, and in the proportions as the Trustee shall decide, in the Trustee's sole discretion.

6. *Additional Contributions.* If any additional contributions are made to the trust after the initial contribution, the unitrust amount for the year in which any additional contribution is made shall be five percent (5%) of the sum of (a) the net fair market value of the trust assets as of the valuation date (excluding the assets so added and any post-contribution income from, and appreciation on, such assets during that year) and (b) for each additional contribution during the year, the fair market value of the assets so added as of the valuation date (including any post-contribution income from, and appreciation on, such assets through the valuation date) multiplied by a fraction the numerator of which is the number of days in the period that

begins with the date of contribution and ends with the earlier of the last day of the taxable year or the last day of the unitrust period and the denominator of which is the number of days in the period that begins with the first day of such taxable year and ends with the earlier of the last day in such taxable year or the last day of the unitrust period. In a taxable year in which an additional contribution is made on or after the valuation date, the assets so added shall be valued as of the date of contribution, without regard to any post-contribution income or appreciation, rather than as of the valuation date.

7. Deferral of the Unitrust Payment Allocable to Testamentary Transfer. All property passing to the trust by reason of the death of the Donor (hereinafter "the testamentary transfer") shall be considered to be a single contribution that is made on the date of the Donor's death. Notwithstanding the provisions of paragraphs 2 and 6 above, the obligation to pay the unitrust amount with respect to the testamentary transfer shall commence with the date of the Donor's death. Nevertheless, payment of the unitrust amount with respect to the testamentary transfer June be deferred from the date of the Donor's death until the end of the taxable year in which the funding of the testamentary transfer is completed. Within a reasonable time after the end of the taxable year in which the testamentary transfer is completed, the Trustee must pay to the Initial Recipient and/or Successor Recipient and the Charitable Recipient." (in the case of an underpayment) or receive from the Initial Recipient and/or the Successor Recipient (in the case of an overpayment) the difference between any unitrust amounts allocable to the testamentary transfer that were actually paid, plus interest, and the unitrust amounts allocable to the testamentary transfer that were payable, plus interest. The interest shall be computed for any period at the rate of interest, compounded annually, that the federal income tax regulations under § 664 of the Code prescribe for this computation.

8. Unmarketable Assets. Whenever the value of a trust asset must be determined, the Trustee shall determine the value of any assets that are not cash, cash equivalents, or other assets that can be readily sold or exchanged for cash or cash equivalents (hereinafter "unmarketable assets"), by either

(a) obtaining a current "qualified appraisal" from a "qualified appraiser," as defined in § 1.170A-13(c)(3) and § 1.170A-13(c)(5) of the Income Tax Regulations, respectively, or (b) ensuring the valuation of these unmarketable assets is performed exclusively by an "independent trustee," within the meaning of § 1.664-1(a)(7)(iii) of the Income Tax Regulations.

9. *Prohibited Transactions.* The Trustee shall not engage in any act of self-dealing within the meaning of § 4941(d) of the Code, as modified by § 4947(a)(2)(A) of the Code, and shall not make any taxable expenditures within the meaning of § 4945(d) of the Code, as modified by § 4947(a)(2)(A) of the Code. The Trustee shall not make any investments that jeopardize the exempt purpose of the trust within the meaning of § 4944 of the Code, as modified by § 4947(a)(2)(A) of the Code, or retain any excess business holdings within the meaning of § 4943 of the Code, as modified by § 4947(a)(2)(A) of the Code.

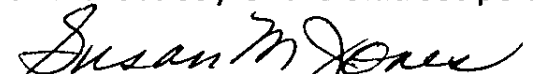

10. *Taxable Year.* The taxable year of the trust shall be the calendar year.

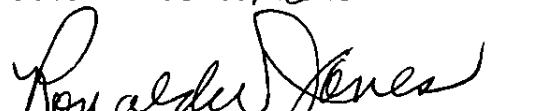

11. *Governing Law.* The operation of the trust shall be governed by the laws of the State of California. However, the Trustee is prohibited from exercising any power or discretion granted under said laws that would be inconsistent with the qualification of the trust as a charitable remainder unitrust under § 664(d)(2) of the Code and the corresponding regulations.

12. *Limited Power of Amendment.* This trust is irrevocable. However, the Trustee shall have the power, acting alone, to amend the trust from time to time in any manner required for the sole purpose of ensuring that the trust qualifies and continues to qualify as a charitable remainder unitrust within the meaning of § 664(d)(2) of the Code.

13. *Investment of Trust Assets.* Nothing in this trust instrument shall be construed to restrict the Trustee from investing the trust assets in a manner that could result in the annual realization of a reasonable amount of income or gain from the sale or disposition of trust assets.

14. *Definition of Initial Recipient and Successor Recipient.* References to the Initial Recipient and/or the Successor Recipient in this trust instrument shall be deemed to include the estate of the Initial Recipient and/or the Successor Recipient with regard to all provisions in this trust instrument that describe amounts payable to and/or due from the Initial Recipient and/or the Successor Recipient. The prior sentence shall not apply to the determination of the last day of the unitrust period. IN WITNESS WHEREOF:
