EMAIL RECEIVED FROM EXTERNAL SOURCE:

Greetings Neysa,

Thank you for your efforts yesterday in locating the trust. Very much appreciated.

I was attempting to locate the statute last night where it states that two trustees are required however I was unable to locate it.

I did find something under Chapter 609 about two persons:

Chapter "609.01 Common-law declaration of trust.— *Two or more persons, whether residents of this state or not, may organize and associate themselves together for the purpose of transacting business in this state under what is commonly designated or known as a "declaration of trust"; provided, however, no such association shall ever be permitted or authorized to transact a banking or security business, of any kind, in this state."*

This legal code does not specifically state that there must be two trustees on the trust. It states that two or more people may organize and associate themselves together.

Here is the trust association and organization breakdown:

Settlor: Aidan Llewellyn
Trust Protector: Ian Llewellyn
Trustee: Aidan Llewellyn

I believe this satisfies the requirements of Chapter 609.01 as two or more persons are associated in the association and organization of this trust.

Regarding beneficiaries, there are 3 names listed with the possibility of more to become beneficiaries in the future.

If you are able to locate the code that specifically states there must be two trustees please send it for me to review. If not, based on the aforementioned, I believe the trust meets the criteria of Chapter 609.01 above. Lastly, you are likely already aware but just to clarify the trust is to be filed under Chapter 609 and not under Chapter 731-739 therefore Chapters 731-739 do not apply.

Thank you for your continued assistance.

Aidan.
