This Contract and Declaration of a Complex Trust
authorizes its Trustees to operate under the name of Creative
Literary Productions.

-----0000000-----

THIS TRUST SHALL BE INTERPRETED AND CONSTRUED
UNDER THE APPLICABLE LAWS OF
THE STATE OF DOMICIL AND OF THE
UNITED STATES OF AMERICA

Now This Contract is acceptable to all parties of interest and entered into this 1st day of
January. This contract is made in pursuance of the said desire and in consideration of the
premises **WITNESSETH** as follows:

WHEREAS the Settlor/Trustor(s) desires upon instruction to exchange certain property
in trust, and

WHEREAS the First Trustee is willing to accept and administer such funds and property
as Trustee under the terms of these presents,

NOW THEREFORE intending to be legally bound hereby, the Settlor/Trustor(s) and the
Trustee do hereby covenant and agree as follows:

-----0000000-----

BE IT KNOWN TO ALL MEN by these presents the Creative Literary Productions is an irrevocable trust established to perform duties and fiduciary responsibilities pursuant to the guidelines directives established within this Trust indenture and in harmony with federal and any other state and local guidelines or nation, deemed prudent, wise, necessary, appropriately applied in legal observance of the law. This not intended to be a "Grantor Trust" inasmuch as it is created as a separate and distinct entity endowed with independent powers and authority to act pursuant to its own parameters and any other interpretation shall be rejected by the Trustees(s) and/or the legal delegate who is instructed to take all necessary and prudent steps to insure the legal security of the trust and the value of the assets contained thereunder. The Trustee's primary duties are to safeguard the operation of this trust by its terms and to act as manager of the Trust resources and assets in a manner which neither conflicts with this document nor the laws of the state of domicile and/or concurrent federal jurisdiction. It is not the intent of this Trust to commit any act, nor encourage the commission of any act, which would subject any party hereto to undue scrutiny by any agency of the state or federal government, but on the contrary it is the design of this Trust to be both legally sound and logically practical.

The Trustee(s) directs Trust property interest in a fiduciary capacity. The trust remains free from any trust indenture certificate holder's control. To repeat this is not a Grantor Trust. The controls are internal and devolve around the duties and actions of the trustee(s) for and on behalf of the trust corpus and its intended purpose for and on behalf of the designated and intended beneficiaries as expressly given.

The autonomy of this trust document and its terms shall require any third parties with a claim, tort, judgement, or decree shall look only to the trust for satisfaction and not to the assets of the principals who have originated the Trust. Trust affairs, funds and property are exclusive of any trustee or trust certificate holder. In keeping with this enmity the trust property and entire corpus is also protected from any and all outside indebtedness not created or committed to pursuant to the authorities contained herein. Any activities of the Trust which extend beyond the borders or territorial limits of the United States shall be governed by what treaties or documents of agreement with regards to commercial transactions or testamentary transfers with such sovereigns and foreign investment interests with established protocols. At all times the rule of proper engagement shall be observed and the Trustee(s) shall act as custodial protector of the assets of the Trust and do only that which would be appropriate to the circumstances and considered prudent within the commercial or diplomatic community.

This *NOTICE* declares and establishes this Trust's requisite
