FORMATION OF TRUST

Section 2.1 Name. The Trust created hereby shall be a Delaware business trust and the name of the Trust shall be the Buffalo-LH Business Trust.

Section 2.2 Office. The office of the Trust shall be in care of the Managing Trustee, at the address set forth in Section 14.5 or at such other address as the Managing Trustee may designate by notice to the Owner.

Section 2.3 Intent: Business Trust Purposes.

a. The Trust shall hold the Trust Property for investment purposes only and not for the active conduct of a trade or business. The Trust shall conduct no business nor, except as provided under the Financing Documents, acquire any property or assume, suffer or create any liabilities other than as specifically set forth in this

Section 2.3. The Trust is intended to qualify as a fixed investment trust within the meaning of Treasury Regulations Section 301.7701-4(c) and it is neither the purpose nor the intent of the parties hereto to create a partnership, joint venture, or association taxable as a corporation between or among any or all of the Owner, Resident Trustee and/or Managing Trustee. In furtherance of the foregoing, the purpose of the Trust shall be to protect and conserve the assets of the Trust, and the Trust shall not at any time engage in or carry on any kind of business or any kind of investment activity, except that which pertains to the owning, leasing, maintenance and sale of the Trust Property. In no event shall any of the Trustees or any other person have any "power to vary the investment" of the Owner in this Trust, or to substitute new investments or reinvest so as to enable the Trust to take advantage of variations in the market to improve the investment of the Owner. Any ambiguity in this Trust Agreement shall be interpreted consistently with the above described intent and with the Trust's status as a fixed investment grantor trust for federal income tax purposes. Each Owner agrees to report with all governmental and taxing authorities its interest in the Trust in a manner consistent with the foregoing and each Owner and Trustee agrees otherwise not to take any action that would be inconsistent with the foregoing and that the provisions of the Trust Agreement shall be construed to further the foregoing. The Trust shall be treated as a grantor trust for federal income tax purposes.

b. The Trust is a special purpose entity that has been organized as a Delaware Business Trust, and will be operated at the discretion of the Owner for the following sole and exclusive purposes:

i. To acquire, own, hold, lease, manage and sell the Property which is or will be leased to tenants for use as a retail store or stores.

ii. To execute, deliver and perform any and all other agreements or obligations relating to the acquisition, ownership, operation, leasing, management or sale of the Property;

iii. To execute, deliver and perform the Financing Documents;

iv. To borrow money and otherwise incur indebtedness from third parties and to pledge or otherwise grant security interests in its assets to secure such indebtedness, but only to the extent expressly permitted in Section 2.8 hereof and the Financing Documents;

v. To take any and all other action necessary to maintain the existence of the Trust as a business trust in good standing under the laws of the State of Delaware (pursuant to, among other things, 12 Del.C. §3801 et seq.) and to qualify the Trust to do business as a business trust in any other state in which such qualification, in the opinion of the Managing Trustee, is required;

vi. To elect to be organized as a Delaware Business Trust pursuant to 12 Del.C. §3801 et seq.;

vii. To sell the Property at such time, for such price and upon such terms as the Managing Trustee shall determine to be in the best interest of the Trust and which is not inconsistent with the applicable terms of the Financing Documents;

viii. To engage in any lawful acts or activities and to exercise any powers permitted to business trusts under the laws of the State of Delaware; provided that any such act, activity or power is related or incidental to and necessary or appropriate for the accomplishment of the foregoing purposes, and consistent with the intent expressed herein.

Section 2.4 Declaration of Trust. As of the date of this Trust Agreement, the Owner Participant has granted to the Managing Trustee and its successors and assigns, forever, all right, title and interest of the Owner Participant in and to the sum of ten dollars (\$10.00), and the right for the Trust to acquire the Improvements and Property, which constitute the initial assets of the Trust, and the Managing Trustee hereby acknowledges receipt of such sums, rights and other property, to have and to hold, together with any other Trust Property, until this Trust Agreement terminates pursuant to Article IX hereof. Managing Trustee hereby declares that it will hold the Trust Property upon the terms and subject to the conditions set forth herein for the use and benefit of the Owner as owner giving due consideration to the status of the Trust for federal income tax purposes as described above in Section 2.3 hereof, subject to the obligations of the Trust under the Financing Documents. It is the intention of the parties hereto that the Trust constitute a "business trust" under Chapter 38 of Title 12 of the Delaware Code. The Trustees shall cause the filing of a Certificate of Business Trust (the "Certificate of Trust") with the Secretary of State of the State of Delaware (the "Secretary of State") pursuant to Section 3810 of title 12 of the Delaware Code.

Section 2.5 Limitation on Certain Activities. Notwithstanding any provisions of this Trust Agreement and any provision of law that otherwise so empowers the Trustees or the Owner, neither the Trustees nor the Owner shall cause the Trust nor shall the Owner direct the Trustees, or any of them, to cause the Trust to perform any act in contravention of the intended characterization for federal income tax purposes of the Trust as set forth in Section 2.3 hereof.

Section 2.6 Authority to Execute and Perform Various Documents. Notwithstanding any provision to the contrary contained in this Article 11 or otherwise in this Trust Agreement, the Trust is hereby authorized, without the consent or approval of, or other action by, any Person, to execute, deliver and perform the following: (i) a tenant estoppel letter, to be dated on or about the Closing Date, by Tenant, as tenant, to be agreed to and accepted by or on behalf of the Trust; (ii) the Lease, or documents relating to the assignment of the Lease, to be dated on or about the Closing Date, to be executed by or on behalf of the Trust, as landlord, and Tenant, as tenant; (iii) the Financing Documents to which the Trust is to be a party, which shall include, without limitation: (a) a mortgage or deed of trust, or an assumption agreement as applicable for the Property, to be dated on or about the Closing Date, from the Trust, as mortgagor, to Lender, as mortgagee; (b) an assignment of lease and rents for the Property, to be dated on or about the Closing Date, from the Trust, as assignor, to Lender, as assignee; (c) a hazardous substances indemnity agreement and an indemnity and guaranty agreement.

The Owner hereby authorizes and directs the Managing Trustee, acting alone and without the consent, joinder or approval of the other Trustees, to execute and deliver on behalf of the Trust each of the foregoing documents and such other documents, agreements, instruments and certificates relating to the Lease or Financing Documents as the Managing Trustee may deem appropriate.

Section 2.7 Title to Trust Property. Title to all of the Trust Property shall be vested in the Trust as a separate legal entity; provided, however, that if the laws of any jurisdiction in which any of the Trust Property is located require that title to any part of the Trust Property be vested or deemed to be vested in a trustee of the Trust, then title to that part of the Trust Property shall be vested or deemed to be vested in the Managing Trustee exclusively (but specifically excluding the Resident Trustee) or any co-trustee or separate trustee of the Managing Trustee, as the case may be, appointed pursuant to Section 10.2 hereof.

Section 2.8 Further Restrictions on Trust Action: Notwithstanding any other provision of this Trust Agreement and any provision of law that would so empower the Trust, until the date that the full balance of the Loan has been indefeasibly paid, the Trust shall not, and shall not permit the Trustees or Owner to (and the Trustees and Owner agree not to) direct or cause the Trust to do, or consent to the Trust's doing, any of the following:

Section 3.3 Conditions to Admission of New Owner. Any assignee or transferee shall become an Owner upon the assignor and the assignee executing and delivering such instruments as the Managing Trustee may reasonably deem necessary or desirable for the assignee to become an Owner, including the written acceptance and adoption by the assignee of the provisions of this Trust Agreement. Managing Trustee also agrees to receive and disburse all money received by it constituting part of the Trust Property upon the terms hereof subject to the conditions and limitations of any leases and Financing Documents. Managing Trustee shall not be answerable or accountable under any circumstances in its individual capacity, except (i) for its own willful misconduct or gross negligence, (ii) in the case of the inaccuracy of any of its representations or warranties contained in Section 7.3 hereof, (iii) as arising from its failure to perform obligations expressly undertaken by it in the first sentence of Section 6.1 hereof, or (iv) for taxes, fees or other charges on, based on or measured by any fees, commissions or compensation received by it for acting as trustee in connection with any of the transactions contemplated by the Lease or Financing Documents, or (v) the failure to use ordinary care to disburse in accordance with the terms hereof money actually received by it.

Section 7.2 Furnishing of Documents. Managing Trustee will furnish to the Owner, promptly upon receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates, financial statements and any other writings furnished to Managing Trustee pursuant to the Lease or Financing Documents, unless the Managing Trustee receives evidence that Owner otherwise received the same.

Section 7.3 No Representations or Warranties as to the Property or Documents. Managing Trustee makes (1) NO REPRESENTATION OR WARRANTY AS TO THE TITLE, VALUE, CONDITION, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS FOR USE OF THE PROPERTY OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE PROPERTY WHATSOEVER and (ii) no representation or warranty as to the validity or enforceability of the , Lease or Financing Documents or as to the correctness of any statement contained in any thereof, and except that Managing Trustee represents and warrants to the Owner that this Trust Agreement has been and, assuming that this Trust Agreement has been duly authorized, executed and delivered by the Owner or Resident Trustee, the Financing Documents, and Lease Agreement to which Managing Trustee is a party and each other document which contemplates execution thereof by Managing Trustee has been or will be, duly executed and delivered.

Section 7.4 No Segregation of Moneys: No Interest. Except as otherwise provided herein, in the Financing Documents, in the or Lease or in written instructions from the Owner, moneys received by Managing Trustee hereunder need not be segregated in any manner, except to the extent required by applicable law and may be deposited under such general conditions as may be prescribed by law, and Managing Trustee shall not be liable for any interest thereof, provided, however, in no event shall moneys of the Trust be commingled with moneys of the Owner.

Section 7.5 Reliance, Advice of Counsel. Managing Trustee shall not incur any liability to anyone in acting in reliance upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. Managing Trustee may accept a copy of a resolution of the board of directors or other governing body of any corporate party, certified by the secretary or a senior officer thereof, as conclusive evidence that such resolution has been duly adopted by such body and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically prescribed herein, Managing Trustee may for all purposes hereof rely on an officers' certificate of the relevant Person as to such fact or matter, and such certificate shall constitute full protection to Managing Trustee for any action taken, suffered or omitted in good faith in reliance thereon. In the administration of the trusts created hereby, Managing Trustee (i) may execute any of the trusts or powers hereof and perform any of its powers and duties, including the holding of title to all or any part of the Trust Property, hereunder directly or through agents or attorneys and the Managing Trustee shall not be liable for the default or misconduct of any agent or attorney appointed by the Managing Trustee in good faith, and (ii) may consult with counsel, accountants and other skilled Persons to be selected and employed by it, and Managing Trustee shall not be liable for the default or

misconduct of any agent or attorney appointed by the Managing Trustee in good faith, and (iii) may consult with counsel, accountants and other skilled Persons to be selected and employed by it, and Managing Trustee shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion within the scope of such Person's competence of any such counsel, accountants or other skilled Persons selected by it in good faith.

Section 7.6 Not Acting in Individual Capacity. Except as otherwise provided in this Article VII, in accepting the trusts hereby created, Managing Trustee acts solely as trustee hereunder and not in its individual capacity, and all Persons other than the Owner, as provided herein, having any claim against Managing Trustee by reason of the transactions contemplated hereby and by the Financing Documents shall look only to the Trust Property (or a part thereof, as the case may be) for payment or satisfaction thereof, but subject to the liens created pursuant to the Financing Documents.

Section 7.7 Ambiguity or Conflict of Provisions. If the Managing Trustee is uncertain as to the application of any provision of this Trust Agreement, the Lease or the Financing Documents, or such provision is ambiguous as to its application, or is, or appears to be, in conflict with any other applicable provision hereof, or if this Trust Agreement permits any determination by the Managing Trustee or is silent or incomplete as to the course of action which the Managing Trustee is required to take with respect to a particular set of facts, the Managing Trustee may require and, as between the Managing Trustee and the Owner, may rely upon written instructions of the Owner, and in such case, shall have no liability to, and shall be held harmless by, the Owner from, any liability, costs or expenses incurred by the Managing Trustee in its individual capacity from acting upon such instructions, except that the Owner shall not be required so to indemnify the Managing Trustee with respect to any of the matters described in the last sentence of Section 7.1 hereof.

Section 7.8 Books, Records and Tax Returns. Managing Trustee shall be responsible for the keeping of all customary and appropriate books and records relating to the receipt and disbursement of all money which it may receive hereunder. The Owner shall be responsible for causing to be prepared and filed all tax returns and reports required to be filed by the Managing Trustee or the Trust with respect to the Trust or the Trust Property. The parties hereto acknowledge, and it is understood, that the Trust shall be treated as a grantor trust for federal income tax purposes. Except as otherwise provided by law and subject to Section 6.6 hereof, the Managing Trustee shall pay from the Trust Property all taxes due with respect to the Trust Property not paid by the tenant of the Property. The Managing Trustee, upon request, will furnish the Owner with all such information in the possession of the Managing Trustee as may be reasonably required from the Managing Trustee in connection with the preparation of such tax returns and reports.

ARTICLE VIII

INDEMNIFICATION AND PAYMENT OF MANAGING TRUSTEE

Section 8.1 The Owner to Indemnify Managing Trustee. The Owner shall pay (or reimburse Managing Trustee for) all reasonable fees and expenses of Managing

Trustee hereunder, including, without limitation, the reasonable compensation, expenses and disbursements of such agent, representatives, experts and counsel as Managing Trustee may employ in connection with the exercise and performance of its rights and duties under this Trust Agreement, any leases and the Financing Documents, whether or not the transactions contemplated hereby or thereby are consummated. Managing Trustee shall be entitled to compensation for any extraordinary services rendered hereunder. The Owner agrees to assume liability for, and to indemnify and hold harmless Managing Trustee, from and against, any and all liabilities, obligations, losses, damages, taxes, claims, actions, suits, costs, expenses and disbursements (including reasonable legal fees and expenses) of any kind and nature whatsoever which may be imposed on, incurred by or asserted at any time against Managing Trustee in any way relating to or arising out of the Trust Property, the administration of the Trust Property or any action or inaction of Managing Trustee hereunder or under the Lease or Financing Documents, except that the Owner shall not be required so to indemnify Managing Trustee with respect to any of the matters described in the last sentence of Section 7.1 hereof. The liabilities of the Owner hereunder shall be several in accordance with their interests in the Trust. If the Managing Trustee has an indemnification right against the Tenant or other third party, the Managing Trustee shall first exercise such right but is not required to exhaust its remedies prior to seeking indemnifications against the Owner. The indemnities contained in this Section 8.1 shall survive the termination of this Trust Agreement.

Section 8.2 Rights Against Trust Property. The Managing Trustee shall be entitled to payment from the Trust Property for any compensation, reimbursement of expenses and indemnification owing to the Managing Trustee pursuant to this Trust Agreement to the extent not promptly paid by the Owner or others, but without releasing any of them from their respective agreements of compensation, reimbursement and indemnification; and to secure the same the Managing Trustee shall have a claim on the Trust Property which shall be prior to any interest therein of the Owner but subject and fully subordinate to any liens under the Financing Documents, and the Managing Trustee agrees and acknowledges that the Managing Trustee's claim on the Trust Property under this Section 8.2 is a second lien, subordinate to the first priority perfected lien and security interest of the Lender under the Financing Documents. For the benefit of the Lender, the Managing Trustee shall not exercise any remedies against the Trust Property until the satisfaction and discharge of the Financing Documents.

Section 8.3 Environmental Indemnification of the Managing Trustee.

a. Without limiting the generality of the foregoing, Owner agrees to indemnify and hold harmless the Managing Trustee from and against any and all liabilities, sums paid in settlement of claims, obligations, charges, actions (formal or informal), claims (including, without limitation, claims for personal injury under any theory or for real or personal property damage), liens taxes administrative proceedings, losses, damages (including, without limitation, punitive damages, penalties, fines, court costs, administrative services fees, response and remediation costs), stabilization costs, encapsulation costs, treatment, storage or disposal costs, groundwater monitoring or environmental study, sampling or monitoring costs, other causes of action and any other costs and expenses (including, without limitation, reasonable attorneys', experts' and consultants' fees and disbursements and investigation, laboratory and data review fees)

imposed upon or incurred by the Managing Trustee (whether or not indemnified against by any other party) arising directly or indirectly out of:

(2) the violation or alleged violation by the Trust (excluding any violations caused by the negligence or malfeasance of Managing Trustee) or any third party of any Environmental Laws with regard to the past, present or future ownership, operation, use or occupying of any property or asset of the Trust or the Trust Property or any part thereof.

b. The indemnities set forth in this Section 8.3 shall be in addition to any other rights the Managing Trustee may have. The indemnities and obligations contained herein shall survive the termination of the Trust, removal or resignation of the Managing Trustee, any disposition by the Managing Trustee of its interests in the Trust Property or an other event. However, the indemnities contained in this Section 8.3 shall not expand any liability of the Managing Trustee or the Owner to third parties. The indemnities contained in this Section 8.3 shall apply only if personal liability shall be imposed on the Managing Trustee, and shall not apply if liability is imposed on the Trust or Trust Property.

c. For purposed of this Section, the following terms shall have the following meanings:

"Environmental Laws" means any federal, state or local statute, code, ordinance, rule, regulation, permit, consent, approval, license, judgment, order, writ, judicial decision, common law rule, decree, agency interpretation, injunction or other authorization or requirement whenever promulgated, issued, or modified, including the requirement to register underground storage tanks, relating to:

(1) emissions, discharges, spills, releases or threatened releases of pollutants, contaminants, Hazardous Substances (as hereafter defined), materials containing Hazardous Substances, or hazardous or toxic materials or wastes into ambient air, surface water, groundwater, watercourses, publicly or privately owned treatment works, drains, sewer systems, wetlands, septic systems or onto land;

The Managing Trustee, if it is other than a natural person, has observed and will observe all applicable organizational procedures and formalities, including, where applicable, the holding of regular periodic and special meetings of governing bodies, the recording and maintenance of minutes of such meetings, and the recording and maintenance of resolutions, if any, adopted at such meetings.

b. The Managing Trustee has paid and will pay its liabilities (including liabilities in respect of guaranties) and losses from its separate funds.

c. The Managing Trustee does not and will not hold itself out to be responsible for the debts and obligations of any other Person. The Managing Trustee, if it is other than a natural person, has and will have at all times sufficient officers and employees to run its businesses and operations. The Managing Trustee will manage its own assets and liabilities.

d. The Managing Trustee will pay, from its own assets, its fair share of any office, office supplies or equipment or administrative (including, without limitation, any costs relating to salaries or other compensation for services rendered to the Managing Trustee) expenses shared with the Trust or Owner.

e. The Managing Trustee has not taken and will not take any action that would give any creditor of the Managing Trustee cause to believe that any indebtedness incurred by the Managing Trustee is or will be an obligation of the Trust or Owner or that the Managing Trustee is not or will not remain a Person separate and distinct from the Trust and the Owner.

f. The Managing Trustee has not taken and will not take any action that is inconsistent with any of the representations, warranties and agreements set forth in this list or that would give (a) any future creditor of the Managing Trustee cause to believe mistakenly that any such future obligation incurred by the Managing Trustee would be not only the obligation of the Managing Trustee, but also of the Trust or the Owner, or (b) any future creditor of the Managing Trustee cause to mistakenly believe that the Managing Trustee was not or would not continue to remain separate and distinct from the Trust and the Owner.

g. No transaction relating to or contemplated by this Trust Agreement is being or will be entered into by the Managing Trustee (i) in bad faith or with intent to delay, hinder, or defraud any of its creditors or (ii) with the intent of removing assets from the Trust to the detriment of the Trust's creditors.

h. The Managing Trustee, if it is other than a natural person, will not consensually merge or consolidate with the Trust or the Owner.

i. The Managing Trustee does not own or does not have any direct right, title or interest in, to or under any of the Trust Property, except as applicable law may require record title to be held in the name of Managing Trustee for the benefit of the Trust.

ARTICLE IX.

Section 9.1 Termination in General. Subject to Section 2.8 hereof, except as otherwise provided in Section 9.2 hereof, this Trust Agreement and the trusts created hereby shall terminate and the Trust Property shall, subject to Article V hereof, be distributed to the Owner, and this Trust Agreement shall be of no further force or effect on December 31, 2036, provided the Note shall have been paid in full, unless the Owner elects to extend the term of the Trust.

Subject to Section 2.8 hereof, notwithstanding Section 9.1 hereof, this Trust Agreement and the trusts created hereby shall terminate and the Trust Property shall be distributed to the Owner, and this Trust Agreement shall be of no further force and effect, upon the election of the Owner by notice to the Trustees, if such notice shall be accompanied by the written agreement (in form and substance satisfactory to the Managing Trustee) of the Owner assuming all the obligations of the Trustees and the Trust and releasing the Trustees therefrom. The Trust may not be terminated prior to the satisfaction and discharge of the Financing Documents, except as expressly permitted thereby or following the conveyance of all of the Trust Property to a third party if permitted by the Financing Documents.

Section 9.3 Certificate of Cancellation. Subject to Section 2.8 hereof, upon the termination of the Trust pursuant to this Article IX, the Trustees shall cause a Certificate of Cancellation to be filed with the Delaware Secretary of State.

ARTICLE X

SUCCESSOR TRUSTEES. CO-TRUSTEES AND SEPARATE TRUSTEES

Section 10.1 Resignation and Successors. Subject to Section 2.11 hereof, a Trustee or the Trustees, or any of their respective successors, may resign at any time without cause by giving at least sixty (60) days prior written notice to the Owner, and the Owner may at any time remove a Trustee or the Trustees without cause by written notice to such Trustee or Trustees, such resignation or removal to be effective upon the acceptance of appointment by a successor trustee as hereinafter provided. In case of the resignation or removal of any Trustee, the Owner may appoint a successor by written instrument. If a successor trustee shall not have been appointed within thirty (30) days after the giving of such notice, such Trustee or the Owner may apply to any court of competent jurisdiction in the United States to appoint a successor trustee to act until such time, if any, as a successor shall have been appointed as provided above. Any successor so appointed by such court shall immediately and without further act be superseded by any successor appointed as provided above within one year from the date of the appointment by such court. Any successor, however appointed, shall execute and deliver to its predecessor trustee and the Trust an instrument accepting such appointment, and thereupon such successor, without further act, shall become vested with all the estates, properties, rights, powers, duties and trusts of the predecessor trustee in the trusts hereunder with like effect as if originally named a Trustee herein; but upon the written request of such successor, and upon the payment to the predecessor trustee of the amounts due to it under this Trust Agreement, such predecessor shall execute and deliver an instrument transferring to such successor, upon the trusts herein expressed, all the estates, properties, rights, powers, duties and trusts of such predecessor, and such predecessor shall duly assign, transfer, deliver and pay over to such successor all moneys or other property then held by such predecessor upon the trusts herein expressed. Any right of the Owner against the predecessor trustee, in its individual capacity shall not be prejudiced by the appointment of any successor trustee and shall survive the termination of the trusts created hereby. Any corporation into which Managing Trustee, if it is other than a natural person, may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which Managing Trustee shall be a party, or any corporation to which substantially all the corporate trust business of Managing Trustee may be transferred, shall, subject to the preceding sentence, be the Managing Trustee under this Trust Agreement without further act. Any successor trustee, however appointed, shall be competent and qualified to (i) serve as a trustee of a business trust formed pursuant to Chapter 38 of Title 12 of the Delaware Code, and (ii) own, buy, lease, sell and mortgage land in its capacity as trustee in the state where the Property is located.

Section 10.2 Co-Trustees and Separate Trustee. Subject to Section 2.11 hereof, whenever the Managing Trustee or the Owner shall deem it necessary or prudent in order either to conform to any law of any jurisdiction in which all or any part of the Trust Property shall be situated or to make any claim or bring any suit with respect to the Trust Property, the Financing Documents, or the Managing Trustee or the Owner shall be advised by counsel satisfactory to it that it is so necessary or prudent, the Managing Trustee and the Owner shall execute and deliver an agreement supplemental hereto and all other instruments and agreements, and shall take all other actions, necessary or proper to constitute one or more Persons (and the Managing Trustee, if it is other than a natural person, may appoint one or more of its officers, general partners or other principals) either as co-trustee or co-trustees jointly with the Managing Trustee of all or any part of the Trust Property, or as separate trustee or separate trustees of all or any part of the Trust Property, and to vest in such persons, in such capacity, such title to the Trust Property or any part hereof and such rights or duties as may be necessary or desirable, all for such period and under such terms and conditions as are satisfactory to the Managing Trustee and the Owner and, until the Note is paid in full, as are reasonably satisfactory to the Lender. In no event shall any Trustee hereunder (including the Managing Trustee and Resident Trustee) be liable for the default or misconduct of any other trustee hereunder. In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, the title to the Trust Property and all rights and duties of such co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the Managing Trustee, without the appointment of a successor to such co-trustee or separate trustee.

ARTICLE XI

Notwithstanding any other provision of this Trust Agreement or any provision of law, (1) until the date all of the obligations under the Financing Documents have been indefeasibly and fully satisfied, the following provisions of this Trust Agreement shall not be amended, altered, changed or repealed unless at least thirty (30) days prior written notice of any such proposed amendment is sent to the Lender and the Lender provides written consent to such amendment and prior written confirmation is received from each rating agency then maintaining a rating on any securities secured by or related to the Financing Documents that such amendment will not result in a negative rating action of any kind with respect to such securities: Sections 1.1, 2.1, 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 2.9, 2.10, 3.1, 3.2, 4.1, 5.1, 6.4, 8.2 through 8.4, 9.1, 9.2 and 11.1 hereof, and (ii) this Trust Agreement may be amended, supplemented or otherwise modified only by a written instrument approved and executed by the Resident Trustee, if such amendment, supplement or other modification affects the rights, powers, duties, obligations or immunities of the Resident Trustee.

ARTICLE XII

Resident Trustee shall not be answerable or accountable to any person under any circumstances in its individual capacity, except that such limitation shall not limit the Resident Trustee's personal liability, if any, to the Owner to the extent that such liability results from (i) the Resident Trustee's gross negligence or willful misconduct, or (ii) the inaccuracy of any of its representations or warranties contained in Section 12.2 hereof.

Section 12.2 Representations. Section 12.5 Indemnification. Resident Trustee shall not be required to take or refrain from taking any action under this Trust Agreement, the Lease or the Financing Documents (other than the actions specified in Section 12.3 hereof) if the Resident Trustee shall reasonably determine, or shall have been advised by counsel, that such actions (i) may result in personal liability, unless Resident Trustee shall have been indemnified by the Owner, in manner and form reasonably satisfactory to Resident Trustee, against any liability, fee, cost or expense (including reasonable legal fees and expenses) which may be incurred or charged in connection therewith (except that the Owner shall not be required so to indemnify Resident Trustee with respect to any of the matters described in the last sentence of Section 12.1 hereof), or (ii) are contrary to law or the terms hereof, and if the Owner shall have directed Resident Trustee to take or refrain from taking any such action, the Owner agrees to furnish such indemnity as shall be required and, in addition, to the extent not otherwise paid pursuant to the provisions of this Trust Agreement, to pay the reasonable compensation of Resident Trustee for the services performed or to be performed by it pursuant to such direction.

Section 12.6 Reliance, Advice of Counsel. Resident Trustee shall not incur any liability to anyone in acting in reliance upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. Resident Trustee may accept a copy of a resolution of the board of directors or other governing body of any Person, certified by the secretary or a senior officer thereof, as conclusive evidence that such resolution has been duly adopted by such body and that the same is in full force and effect. Except as otherwise expressly provided in this Article XII, in accepting the trusts hereby created, Resident Trustee acts solely as trustee hereunder and not in its individual capacity, and all Persons other than the Owner, as provided herein, having any claim against Resident Trustee by reason of the transactions contemplated hereby and by the Lease and Financing Documents shall look only to the Trust Property (or a part thereof, as the case may be) for payment or satisfaction thereof, but subject to the liens created pursuant to the Financing Documents.

Section 12.8 Ambiguity or Conflict of Provisions. If the Resident Trustee is uncertain as to the application of any provision of this Trust Agreement, the Lease or the Financing Documents, or such provision is ambiguous as to its application, or is, or

appears to be, in conflict with any other applicable provision hereof, or if this Trust Agreement permits any determination by the Resident Trustee or is silent or incomplete as to the course of action which the Resident Trustee is required to take with respect to a particular set of facts, the Resident Trustee may require and, as between the Resident Trustee and the Owner, may rely upon written instructions of the Owner, and in such case, shall have no liability to, and shall be held harmless by, the Owner from, any liability, costs or expenses incurred by the Resident Trustee in its individual capacity from acting upon such instructions, except that the Owner shall not be required so to indemnify the Resident Trustee with respect to any of the matters described in Sections 12.1(i) and (ii) hereof.

Any provision of this Trust Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 14.7 Counterparts. To facilitate execution, this instrument may be executed in as many counterparts as may be convenient or required.
