This RESTATED TRUST AGREEMENT, dated as of December 10, 1998 (this "Trust Agreement"), by and between BNK MULTISTATE INVESTORS, L.P., a Texas limited partnership, as beneficiary (herein, together with its permitted successors and assigns hereunder, the "Beneficiary"), M. Scott Kipp, an individual, as trustee and Gil J. Besing an individual, as trustee (together with their permitted successors and assigns hereunder, in their individual capacities, "Kipp" and "Besing" respectively; and in their capacity as trustee hereunder, collectively the "Administrative Trustee"), Robert Vale Fitzpatrick, as trustee (together with his permitted successors and assigns hereunder, in his individual capacity, "Fitzpatrick"; and in his capacity as trustee hereunder, the "Independent Trustee"), and Chase Manhattan Bank Delaware (as successor in interest to PNC Bank, Delaware), as trustee (together with its permitted successors and assigns hereunder, in its individual capacity, the "Bank"; and solely in its capacity as trustee hereunder, the "Delaware Trustee", the Delaware Trustee, the Administrative Trustee, and the Independent Trustee being collectively referred to as the "Trustees").

Preliminary Statement

Whereas, pursuant to the Trust Agreement dated as of October 19, 1998 (the "Original Trust Agreement"), among the Beneficiary, as beneficiary, Kipp, as administrative trustee, Fitzpatrick, as independent trustee, and the PNC Bank, Delaware, as Delaware Trustee, a statutory trust (the "Trust") was formed, pursuant to the Delaware Business Trust Act, 12 Del.C. c.38 (the "Delaware Act"), for the purposes of holding legal title to the Property (such term and such other initially capitalized terms used but not defined herein being used as defined in Section 1.1 hereof);

Whereas the Beneficiary wishes to appoint Besing as an additional Administrative Trustee of the Trust and Besing is willing to act as a trustee of the Trust, subject to the terms and conditions of this Trust Agreement; and

Whereas PNC Bank Delaware has sold substantially all of its corporate trust portfolio to the Bank, and thus the Bank has succeeded in interest to PNC Bank, Delaware as Delaware Trustee under the Original Trust Agreement.

In the event the Administrative Trustee shall have actual knowledge of any Default or Event of Default under the Lease, the Administrative Trustee shall give prompt telephonic notice thereof followed by written confirmation to the Beneficiary and any other Person identified in writing by the Beneficiary to the Administrative Trustee. Subject to the provisions of Section 4.3, the Administrative Trustee shall take or refrain from taking such action, not inconsistent with the provisions of the Operative Agreements, with respect thereto as the Beneficiary shall direct by written instructions to the Administrative Trustee. If the Administrative Trustee shall have given the Beneficiary notice of any event and shall not have received written instructions as above

Subject to the provisions of Section 4.3, upon the written instructions of the Beneficiary, the Administrative Trustee will take or refrain from taking such action or actions, not inconsistent with the provisions of the Operative Agreements, as may be specified in such instructions. If the Administrative Trustee is unable to determine whether any such action or actions that it has been instructed to take by the Beneficiary are not inconsistent with the provisions of the Operative Agreements, the Administrative Trustee shall give notice in accordance with Section 10.4 of such proposed action or actions to the Beneficiary and unless, within ten (10) Business Days, the Beneficiary advises the Administrative Trustee in writing that the proposed action or actions are inconsistent with the provisions of the Operative Agreements (including specific reference to the particular provisions in question), the Administrative Trustee shall be entitled to presume that the proposed action or actions are not inconsistent with the provisions of the Operative Agreements and the Administrative Trustee shall proceed in accordance with such instructions.

4.3 Indemnification. No Trustee shall be required to take or refrain from taking any action under this Trust Agreement or any other Operative Agreement unless such Trustee shall have been indemnified by the Beneficiary, in manner and form reasonably satisfactory to such Trustee, against any liability, fee, cost or expense (including reasonable attorneys' fees and expenses) that may be incurred or charged in connection therewith, other than such as may result from the willful misconduct or gross negligence of such Trustee or, with respect to the Administrative Trustee, from the failure of the Administrative Trustee to use ordinary care in the receiving, handling and disbursing of funds.

4.4 No Duties Except as Specified in Trust Agreement or Instructions. No Trustees shall have any duty or obligation to manage, control, use, make any payment in respect of, register, record, insure, inspect, sell, dispose of or otherwise deal with the Property, or any other part of the Trust Estate, or to otherwise take or refrain from taking any action under or in connection with any Operative Agreement, except as expressly provided by the terms of this Trust Agreement or in written instructions from the Beneficiary; and no implied duties or obligations shall be read into this Trust Agreement against of the Trustees.

ARTICLE V

THE TRUSTEES

5.1 Acceptance of Trust and Duties. The Trustees accept the trusts hereby created and agree to perform the same, but only upon the terms and conditions of this Trust Agreement. The Trustees shall not be answerable or accountable under any circumstances, except for (i) their own willful misconduct or gross negligence, (ii) the inaccuracy of any of their representations or warranties contained in this Trust Agreement, (iii) taxes based on or measured by any fees, commissions or compensation received by them for acting as Trustees in connection with any of the transactions contemplated by the Operative Agreements, or (iv) with respect to the Administrative Trustee, the failure of the Administrative Trustee to use ordinary care in receiving, handling and disbursing of funds.

5.2 Furnishing of Documents. Each Trustee other than the Independent Trustee will furnish to the Beneficiary, and to such other Persons as the Beneficiary shall direct in writing, promptly upon receipt thereof, duplicates or copies of all reports, notices, requests, demands, opinions, certificates, financial statements and any other instruments or writings furnished to such Trustee hereunder or to the Trust under the Operative Agreements, unless by the express terms of any Operative Agreement a copy of the same is required to be furnished by some other Person directly to the Beneficiary, or such Trustee shall have determined that the same has already been furnished to the Beneficiary.

5.3 No Representations or Warranties as to any Property or Operative Agreements. Neither the Bank, the Delaware Trustee, Kipp or Besing, the Administrative Trustee, Fitzpatrick, the Independent Trustee nor any Beneficiary makes (i) ANY REPRESENTATION OR WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE TITLE, VALUE, CONDITION, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS FOR USE OF ANY PROPERTY OR ANY OTHER REPRESENTATION, EXPRESS OR IMPLIED, WITH RESPECT TO ANY PROPERTY WHATSOEVER, and (ii) no representation or warranty as to the validity or enforceability of any Operative Agreement or as to the correctness of any statement made by a Person other than it contained in any thereof, except that each of the Bank, Kipp, Besing, Fitzpatrick and the Beneficiary represents, warrants and covenants that this Trust Agreement has been, and that each of the other Operative Agreements to which it is a party has been or will be, duly executed and

delivered by a Person who is, or will be, duly authorized to execute and deliver such documents on its behalf.

5.4 Segregation of Moneys. Except as otherwise provided herein or in any of the other Operative Agreements, any moneys received by the Trustees hereunder need not be segregated in any manner, except as may be required by law.

5.5 Reliance; Advice of Counsel. No Trustee shall incur any liability to any Person in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it in good faith to be signed by the proper party or parties. A Trustee may accept and rely upon (a) a certified copy of a resolution of the board of directors or other governing body of any corporate party and (b) a copy certified by any general partner of any resolution of any partnership party as conclusive evidence that such resolution has been duly adopted by such party and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically prescribed herein, a Trustee may for all purposes hereof rely on an officer's or general partner's certificate of the relevant party, as to such fact or matter, and such certificate shall constitute full protection to such Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon. In the administration of the Trust, a Trustee may execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents or attorneys and may consult with counsel, accountants and other skilled Persons to be selected and employed by it, and no Trustee shall be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled Persons.

5.6 Liability with Respect to Documents. Neither any Trustee, in its individual capacity or as Trustee, nor the Beneficiary shall incur any liability to any Person for or in respect of the recitals herein, the validity or sufficiency of this Trust Agreement or for the due execution hereof by any other party hereto or for the form, character, genuineness, sufficiency, value or validity of any part of the Trust Estate or for or in respect of the validity or sufficiency of any of the Operative Agreements and neither Trustee, in its individual capacity or as trustee, nor the Beneficiary shall assume or incur any liability, duty or obligation to any other Person except as expressly provided herein.

5.7 Not Acting in Individual Capacity.

(a) All Persons (other than the Beneficiary to the extent provided herein) having any claim against either Trustee, in its individual capacity or as trustee, by reason of the transactions contemplated by the Operative Agreements shall look only to the Trust Estate (or a part thereof, as the case may be) for payment or satisfaction thereof, except as specifically provided in this Article V.

(b) No Trustee, either in its trust or individual capacity, shall be under any obligation to appear in, prosecute or defend any action, which in its opinion may require it to incur any out-of-pocket expense or any liability unless it shall be furnished with such reasonable security and indemnity against such expense or liability as it may require. The Beneficiary may, but shall be under no duty to, undertake such action as it may deem necessary at any and all times, without any further action by the Trustees to protect the Trust Estate and the rights and interests of the Beneficiary pursuant to the terms of this Trust Agreement.

ARTICLE VI

INDEMNIFICATION AND COMPENSATION OF THE TRUSTEES

6.1 The Beneficiary to Indemnify Kipp, Besing, Fitzpatrick, and the Bank. The Beneficiary agrees to assume liability for, and to indemnify and hold harmless each of Kipp, Besing, Fitzpatrick and the Bank and each of their respective officers, directors, employees and agents (hereinafter, the "Indemnitees") from and against, any and all obligations, liabilities, losses, actions, suits, penalties, taxes (other than any taxes on, based on or measured by the compensation received by such Indemnatee for acting as Trustee hereunder), claims, demands, costs and expenses (including without limitation reasonable attorneys' fees and expenses) of any nature whatsoever which may be imposed on, incurred by or asserted at any time against such Indemnatee in any way relating to or arising out of the Trust, the administration of the Trust Estate or any action or inaction of such Indemnatee hereunder, under the Operative Agreements or any transaction contemplated thereby, or in any way relating to or arising out of or alleged to arise out of (a) the financing, refinancing, purchase, acceptance, rejection, ownership, design, construction, delivery, nondelivery, leasing, subleasing, possession, use, operation, repair, modification, transportation, condition, sale, return, repossession (whether by summary proceedings or otherwise), or any disposition of the Property or any part of the Trust Estate; (b) any latent or other defects whether or not discoverable; (c) a violation of environmental laws, or other loss of or damage to the Property or the environment relating to the Property or the Beneficiary; (d) any breach by the Beneficiary of any of its representations or warranties under the Operative Agreements or failure by the Beneficiary to perform or observe any covenant or agreement to be performed by it under any of the Operative Agreements; (e) personal injury, death or property damage, including claims based on strict liability in tort; and (f) any liability incurred by the Bank, Kipp or Besing, or the Administrative Trustee in connection with the filing of any tax return of the Trust except only that the Beneficiary shall not be required to indemnify such Indemnatee for expenses arising or resulting from any of the matters described in the last sentence of Section 5.1 hereof. The indemnities contained in this Section 6.1 shall survive the resignation or removal of the Trustee and the termination of the Trust and/or this Trust Agreement.

6.2 Compensation and Expenses. The Bank shall receive from the Beneficiary as compensation for its services hereunder such fees as shall, from time to time, be agreed upon by the Beneficiary and the Bank. The Bank shall also be entitled to be reimbursed by the Beneficiary for its reasonable expenses (including reasonable attorneys' fees) incurred in the performance of its duties as Trustee hereunder and to be compensated reasonably for any extraordinary services rendered hereunder at the request of the Beneficiary.

ARTICLE VII

TERMINATION OF TRUST AGREEMENT

7.1 Termination of Trust Agreement. This Trust Agreement and the Trust shall terminate and the Trust Estate shall, subject to the provisions of the other Operative Agreements and Article III hereof, be distributed to the Beneficiary, and this Trust Agreement shall be of no further force or effect, upon the earlier of (i) the written request of the Beneficiary following the sale or other final disposition of all property constituting part of the Trust Estate and the final distribution by the Trustee or its agent of all moneys or other property or proceeds constituting part of the Trust Estate in accordance with the terms of Article IV and (ii) the date that is one hundred-ten (110) years after the earliest execution of this Trust Agreement by any party hereto. Notwithstanding any other provision of this Trust Agreement to the contrary, so long as the lien of the Indenture has not been released or payment of the principal of, and premium, if any, and interest on, the Note has not been paid in full, neither this Trust Agreement nor the Trust may be terminated, nor may the purpose or the power of the Trust be amended, by the Beneficiary, except (a) in the event of the sale of the Property to a third Person, which sale does not violate the provisions of the Indenture, (b) with the consent of the Indenture Trustee(s) or (c) in accordance with the terms of Section 7.2 hereof.

7.2 Termination at Option of the Beneficiary. Notwithstanding Section 7.1, this Trust Agreement and the Trust shall terminate (and subject to Article III hereof, the Trust Estate shall be distributed to the Beneficiary) and this Trust Agreement shall be of no further force and effect upon the election of the Beneficiary by written notice to the Trustee, if such notice shall be accompanied by the written agreement of the Beneficiary assuming all the obligations of the Trustee and the Trust under or contemplated by the Operative Agreements and all other obligations of the Trustee incurred by it as trustee hereunder. Such written agreement shall be reasonably satisfactory in form and substance to the Trustee and shall release the Trustee from all further obligations of such Trustee hereunder and under the agreements and other instruments mentioned in the preceding sentence.

7.3 Actions by the Administrative Trustee upon Termination. Upon termination of this Trust Agreement and the Trust pursuant to Section 7.1 or 7.2 and the

winding up of the Trust, the Administrative Trustee shall execute and file in the Office of the Secretary of State of the State of Delaware a Certificate of Cancellation in the form required by Section 3810(d) of the Delaware Act.

ARTICLE VIII

SUCCESSOR TRUSTEES, CO-TRUSTEES AND SEPARATE TRUSTEES

8.1 Resignation of Trustee; Appointment of Successor.

(a) Any Trustee may resign at any time without cause by giving at least 30 days' prior written notice to the Beneficiary, such resignation to be effective on the acceptance of appointment by a successor Trustee under Section 8.1(b). Any Trustee other than the Independent Trustee may be removed with or without cause at any time by the Beneficiary with 5 days' prior written notice. Any such removal shall be effective in accordance with its terms. In case of the resignation or removal of a Trustee, the Beneficiary may appoint a successor Trustee by an instrument signed by the Beneficiary. If a successor Trustee shall not have been appointed within 30 days after the giving of written notice of a resignation by Trustee, such Trustee may apply to any court of competent jurisdiction to appoint a successor Trustee. Any successor Trustee so appointed by such court shall immediately and without further act be superseded by any successor Trustee appointed by the Beneficiary.

(b) Any successor Trustee, however appointed, shall execute and deliver to the predecessor Trustee an instrument accepting such appointment, and thereupon such successor Trustee, without further act shall become vested with all the estates, properties, rights, powers, duties and trusts of the predecessor Trustee in the trusts hereunder with like effect as if originally named a Trustee herein; but nevertheless, upon the written request of such successor Trustee such predecessor Trustee shall execute and deliver an instrument transferring to such successor Trustee, upon the trusts herein expressed, all the estates, properties, rights, powers, duties and trusts of such predecessor Trustee, and such predecessor Trustee shall duly assign, transfer, deliver and pay over to successor Trustee all moneys or other property then held by such predecessor Trustee upon the trusts herein expressed.

(c) Notwithstanding any provision herein to the contrary, after a Person becomes a trustee, the Trust shall within 10 days of the appointment give written notice of such Person's name, mailing and delivery address, telephone and telecopier numbers and the name and title of a responsible officer of such Person (if other than an individual person) to the Delaware Trustee.

8.2 Co-Trustees and Separate Trustees. Whenever the Beneficiary shall deem it necessary or prudent in order either to conform to any law of any jurisdiction in which all or any part of the Trust Estate shall be situated or to make any claim or bring any suit with respect to the Trust Estate, or any Operative Agreement, or the Beneficiary shall be advised by counsel satisfactory to the Beneficiary, that it is necessary or prudent, the Beneficiary shall execute and deliver an agreement supplemental hereto and all other instruments and agreements, and shall take all other action, necessary or proper to appoint one or more Persons (and the Beneficiary may appoint one or more of its officers) either as co-trustee or co-trustees jointly with the Trustee of all or any part of the Trust Estate, or as separate trustee or separate trustees of all or any part of the Trust Estate, and to vest in such Persons, in such capacity, such title to the Trust Estate or any part thereof and such rights or duties as may be necessary or desirable, all for such period and under such terms and conditions as are satisfactory to the Beneficiary. In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, the title to the Trust Estate and all rights and duties of such co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the Trustee, without the appointment of a successor to such co-trustee or separate trustee.

ARTICLE IX

SUPPLEMENTS AND AMENDMENTS

9.1 Supplements and Amendments. Subject to Sections 9.2 and 9.3 hereof, at the written request of the Beneficiary, this Trust Agreement shall be amended by a written instrument signed by the Trustees and the Beneficiary, but if in the opinion of any Trustee any instrument required to be so executed adversely affects any rights, duty or liability of, or immunity or indemnity in favor of, it under this Trust Agreement, any of the Operative Agreements to which it is a party, or would cause or result in any conflict with or breach of any terms, conditions or provisions of, or default under, its charter documents or by-laws or any document contemplated hereby to which it or such Trustee is a party, either the Trustee may in its sole discretion decline to execute such instrument, unless it shall have been provided an indemnity satisfactory to it by the Beneficiary.

9.2 No Conflict with Operative Agreements. Notwithstanding anything to the contrary contained in this Trust Agreement, the Beneficiary shall not amend this Trust Agreement if such proposed Amendment conflicts with the Operative Agreements or adversely affects the ability of the Trust to perform any obligation of the Trust under the Operative Agreements.

9.3 Independent Trustee. Notwithstanding anything in this Trust Agreement to the contrary, so long as the Operative Agreements are in effect:

1. The unanimous consent of all of the Trustees (including that of the Independent Trustee) shall be required for the Trust to take any of the following actions:
