AND
FILED
93 OCT -7 PM 12:00
CLERK OF DISTRICT COURT
MILWAUKEE, WISCONSIN

THIS DEED OF RECTIFICATION AND DECLARATION OF TRUST is made and entered into this 6th day of October, 1999 by and among **JASVANT D. NANA** and **RADHA D. NANA** (hereinafter referred to in this agreement and declaration of trust, with their successors in office as the "Trustee") **RADHA NANA KAUSHIK J. NANA, SHAILEN J. NANA** and **RUPEN J. NANA** (hereinafter collectively referred to as "Shareholders").

WITNESSETH

WHEREAS, by an agreement executed on the 4th day of May, 1996, **JASVANT D. NANA** (therein described as **J.D. NANA**) declared and established, as a settlor, a trust known as 5858 Trust declaring that all property then held or acquired after the effective date of the 5858 Trust, shall be held by him or successors in office, as Trustee and all income and profits from such property shall be managed, administered, received, collected, disposed of, and distributed for the benefits of Shareholders or such other persons as may from time to time be owners of shares evidencing beneficial interest in 5858 Trust, in the manner and subject to the terms and conditions set forth therein.

WHEREAS, a doubt has arisen whether 5858 Trust constitutes a business which was and still has been the intention of **J.D. NANA** to establish for the benefit of the Shareholders. Consequently, all parties herein have agreed to execute this

agreement and declaration of trust to rectify and reconstitute 5858 Trust to the intent that 5858 Trust shall continue to exist and constitute a business trust as has been from the outset, the expressed desire and intention of **J.D. NANA** and also to further ensure that 5858 Trust duly complies with the laws of F.S. 609 of the State of Florida relating to establishing of a business trust.

DECLARATION AND AFFIRMATION
5858 AS A BUSINESS TRUST

TRUSTEES **JASVANT D. NANA** and **RADHA NANA** jointly and severally hereby declare and affirm that 5858 Trust has been and is hereby established as a business trust and trustee shall continue to hold a 99 years leasehold property known as La Inn and Suites, located at 5858 International Drive, Orlando, Florida and any other property acquired after the effective date of this declaration by them or either of them, or their successors, for the purpose of enabling the Trustee to hold and manage the trust estate and carry on business of the said motel property as provided in this declaration hereinafter.

Trustee hereby further declare that all property now held or acquired by them after the effective date of this declaration by them or either of them or their successors, as Trustee, and all income and profits from such property, shall be managed, administered, received, collected, disposed of, and distributed for the benefit of such persons as may from time to time be owners of certificate of shares evidencing beneficial interests in this trust estate, in the manner and subject to the

terms and conditions set forth in this instrument and any amendments to this instrument.

For avoidance of any doubt, parties hereto hereby agree and declare that if there is any conflict between the provisions contained in the Trust Agreement date May 4, 1996 establishing 5858 Trust and executed by J.D. Nana as a settlor and provisions contained in this instrument, the provisions contained herein shall prevail and supervene the provisions contained in Trust Agreement executed on May 4th, 1996.

JASVANT D. NANA and **RADHA NANA** as Trustees of 5858 Trust hereby assume and affirm all the obligations entered into by **J.D. NANA** as Trustee of 5858 Trust, including but not limited to, obligations entered by **J.D. NANA** as Trustee for any leases, mortgages or any business incurred by 5858 Trust in operating the business of the said motel property known as La Inn and Suites.

DECLARATION OF TRUST

Trustees declare that all property now held or acquired after the effective date of this declaration by them or either of them or their successors, as trustees, and all income and profits from such property, shall be by them managed, administered, received, collected, disposed of, and distributed for the benefit of such persons as may from time to time be owners of certificates of shares evidencing beneficial interests in this trust estate, in the manner and subject to the

terms and conditions set forth in this instrument and any amendments to this instrument.

The property now held by trustees subject to the terms of this trust consists of the following:

ARTICLE ONE

CHARACTER OF THE ORGANIZATION

It is expressly declared that there is created a trust, of the type commonly termed a business trust, and not a partnership, a corporation, or a joint-stock association.

ARTICLE TWO

NAME AND LOCATION

A. Trustees may be collectively designated as 5858 Trust, in which name they make and execute contracts and all kinds of instruments, conduct business, acquire and convey real or personal property, and sue and be sued.

B. The principal office of the trust shall be at 5858 International Drive, Orlando, Orange County, State of Florida, unless and until it is changed by trustees.

C. Trustees may establish such branch offices or places of business as they shall determine to be in the best interests of the trust.

ARTICLE THREE

CAPITAL STOCK AND SHARES

A. The beneficial interests in the trust shall be divided into four shares without par value.

B. Trustees shall issue or cause to be issued to subscribers for or purchasers of such shares, certificates in such form as trustees deem proper, evidencing the beneficial interests of such share owners.

C. The certificates shall be personal property and shall entitle owners of such certificates to participate in all dividends and other distributions of income or principal in the proportion which the number of shares of each owner bears to the total number of shares issued and outstanding.

D. Any trustee of the trust may acquire, hold, and dispose of shares in the trust to the same extent and in the same manner as if he or she were not a trustee and without affecting in any way his or her status or power as such.

ARTICLE FOUR

TRANSFER OF SHARES

A. The shares of the trust shall be transferable by an appropriate instrument in writing and by the surrender to trustees or to the person designated therefor by them, but no transfer shall be of any effect as against trustees until it has been recorded upon the books of trustees kept for that purpose. On the transfer

and surrender, and recording in the trust books, a new certificate shall be issued to the transferee. In case of a transfer of only a part of the shares evidenced by a certificate, a new certificate for the residue shall be issued to the transferor.

B. The person in whose name shares stand on the books of the trust shall be deemed to be and treated as the absolute owner of such shares for all purposes of this instrument, and until the existing certificate is surrendered and transfer is recorded as required above, trustees shall not be affected by any notice, actual or constructive, of any transfer.

C. Any person becoming entitled to become a shareholder in the trust as a result of the death or bankruptcy of any shareholder, or in any way other than by transfer in accordance with the above provisions of this article, may receive a new certificate for the share and be recorded on the books of the trust as the owner of such share, upon the production of proper evidence of his or her entitlement to such share and the delivery of the existing certificate to trustees or any person designated by them. Until such evidence is produced and the existing certificate is surrendered, trustees shall not be affected by any notice of the change in title.

ARTICLE FIVE

LOSS OR DESTRUCTION OF CERTIFICATE

In case of the loss or destruction of a certificate of shares, a new one may be issued in its place, on such conditions as trustees may deem necessary and proper.

ARTICLE SIX

EFFECT OF DEATH OR SHAREHOLDER OR TRANSFER OF SHARES

A. The death, insolvency, or incapacity of one or more of the shareholders, or the transfer of shares, shall not operate to terminate or dissolve the trust or affect its continuity in any way, nor shall such event entitle any legal representative or other person to dissolve the trust or to partition the trust property or to demand an accounting.

B. In the event of the death of a shareholder, or a transfer of shares, the transferees, heirs, legatees, or legal representatives of the decedent or transferor shall succeed to his or her rights.

ARTICLE SEVEN

INSPECTION OF STOCK BOOKS

The stock books of the trust, showing the ownership of all shares of the trust and recording all transfers of such shares, shall be subject to inspection by any shareholder or his or her attorney or agent at all reasonable times, under such reasonable conditions as the trustees may prescribe.

ARTICLE EIGHT

DIVIDENDS

Trustees may, from time to time, declare and pay out of the net earnings

received by them such dividends as they, in their discretion, deem proper and advisable.

ARTICLE NINE

RIGHTS OF SHAREHOLDERS

A. The rights of shareholders and of transferees and other persons becoming entitled to shares of the trust shall be subject to all the terms and conditions of this declaration of trust.

B. The shares of the trust shall be personal property, and the ownership of such shares shall not give any person any legal or equitable title in or to the trust property or any part of such property, but shall only entitle the owners of shares to their proportionate shares of dividends and distributions as provided above.

C. No shareholder shall have any rights to manage or control the property, affairs, or business of the trust, or any power to control trustees in these respects.

D. No shareholders shall have any right to a partition of the trust property or to an accounting during the continuance of the trust.

ARTICLE TEN

LIABILITIES OF SHAREHOLDERS

A. Shareholders shall not be liable for any assessments, and trustees shall

have no power to bind the shareholders personally.

B. All persons dealing with or having any claim against trustees or any officer or agent of the trust shall look only to the funds and property of the trust for the payment of any debt, claim, damage, judgment, or decree, or of any money or things that may become due or payable in any way, whether founded on contract or tort, and the shareholders shall not be personally or individually liable for any such debt, claim, damage, judgment, or decree.

C. No amendment shall ever be made to this declaration of trust increasing or enlarging the liability of shareholders, without the written consent of all the shareholders.

D. In every written order, contract, or instruments, or obligation given or executed by trustees or under their authority, it shall be the duty of trustees to insert or cause to be inserted a stipulation to the effect that the shareholders shall not be liable for any debt, demand, or liability incurred by or under the authority of trustees, and reference shall be made to this declaration of trust. The letterheads and other stationary used in transactions or correspondence with outsiders shall contain a brief notice to the same effect. However, no failure of trustees or of the officers or agents of the trust in this regard shall have the effect of rendering any shareholder personally liable.

ARTICLE ELEVEN

SHAREHOLDERS' MEETINGS; ELECTIONS

A. The shareholders shall meet at the principal office of the trust on Monday, and shall hold meetings at such office on the third Monday of December each year, thereafter, for the purpose of electing trustees and of exercising and discharging any other powers or duties vested in them by this instrument.

B. Trustees may call special meetings of shareholders at any time.

C. Trustees shall notify all shareholders of the time and place of all meetings of shareholders, whether regular or special, and, in the case of special meetings, shall also give notice to all shareholders of the general purpose of the meeting and the nature of the business to be considered at such meeting, and such special meetings shall be limited to the business thus specified in the call, unless the owners of at least 90% of all outstanding shares consent in writing to the consideration of other matters.

D. Notice mailed to a shareholders directed to him or her at the address shown on the books of the trust shall be deemed sufficient for the provisions of this article and for all other purposes unless written notice of change of address is given to trustees.

E. At all meetings of shareholders, the president named by trustees, or such other person as may be designated by trustees, shall preside. Each share shall be entitled to one vote, and shareholders may vote proxy. The owners of one-half

of the issued and outstanding shares, or their proxies, shall constitute a quorum for the purposes of any meeting. In the election of trustees, and on other matters except where it is otherwise provided in this instrument, a majority of the shares represented and voting at the meeting shall control.

ARTICLE TWELVE

NUMBER, ELECTION, AND TENURE OF TRUSTEES

A. There shall be two trustees. The above-named persons are designated as trustees of this trust, and they and their successors shall hold for a term of three (3) years and until their successors are elected and qualify.

B. The death, incapacity, resignation, or removal of any or all of the trustees shall not terminate the trust or in any way affect its continuity.

C. Any vacancy among the trustees occurring during a term of office shall be filled by the remaining trustees for the unexpired portion of such term.

D. Every third year following the date of this instrument, trustees shall be elected by the shareholders at meetings held and conducted as provided above.

ARTICLE THIRTEEN

RESIGNATION OF TRUSTEES

A. Any trustee may be removed during his or her term at any regular meeting of trustees or at any meeting specially called by any trustee for that

purpose, by a majority of all trustees for any cause by them deemed sufficient.

B. Written notification of any special meeting called for the purpose of considering the removal of any trustee shall be given or mailed to each trustee at least thirty (30) days prior to such meeting, but no such notification shall be necessary in the case of a regular meeting of trustees.

ARTICLE FOURTEEN

MEETINGS OF TRUSTEES; MANNER OF FUNCTIONING

A. Regular meetings of trustees shall be held at the principal office of the trustee at least once a month, at such times as they may from time to time fix, and they may hold meetings at any time for the transaction of any business upon the call of any trustee. The president or, in his or her absence, any other person as trustee may designate, shall preside at such meetings.

B. No informality or defect in the manner of calling or holding meetings, and no failure to call or hold such meeting, shall affect the validity of any action taken by a majority of all trustees.

C. A majority of trustees shall constitute a quorum; and the concurrence of all trustees shall not be necessary to the validity of any action taken by them, but the decision or action of a majority of trustees present and voting at any meeting shall be conclusive and binding as the act and decision of the trustees as a body.

D. Trustees may delegate to any one or more of their number the exercise

of any power or the performance of any duty that trustees as a body might exercise or perform.

ARTICLE FIFTEEN

REPORTS BY TRUSTEES

Trustees shall annually make a written report of their operations during the preceding fiscal year, showing their receipts, disbursements, and earnings and the assets and condition of the trust estate. Such report shall be kept on file at the principal office of the trust at all times, and shall be subject to inspection by any shareholder or his or her attorney or agent at any reasonable time; and a copy or summary of such report shall be furnished to any shareholder upon written request.

ARTICLE SIXTEEN

OFFICERS AND AGENTS

A. Trustees shall appoint from among their number a president and a treasurer, and shall appoint from among their number or otherwise a secretary, and such officers shall have such authority and shall perform such duties as trustees shall prescribe and such as are usually incident to those offices in the case of corporation, so far as applicable and in the absence of the adoption of contrary provisions by trustees.

B. The terms of all officers shall be fixed by trustees, and trustees may at

any time, with or without cause, remove or discharge any such officer or any agent or employee; provided, that the removal of an officer as such shall not affect his or her status as trustee.

ARTICLE SEVENTEEN

COMPENSATION OF TRUSTEES

Trustees shall receive such compensation, regular or special, as they shall deem reasonable and proper. They shall fix the compensation, if any, of all officers and agents appointed by them.

ARTICLE EIGHTEEN

GENERAL POWERS AND FUNCTIONS OF TRUSTEES

A. Trustees shall hold the legal title to all property at any time belonging to the trust, and shall have absolute and exclusive control, management, and disposition of such property, and absolute and exclusive power and control over the management and conduct of the businesses and affairs of the trust, free from any power of control on the part of the shareholders.

B. Trustees may hold, manage, deal with, and dispose of the property and business of the trust in the same manner as if they were the absolute owners of such property, subject only to the specific limitations placed on their powers by this instrument.

C. The enumeration of powers contained in this article shall not be construed as limiting in any way the general powers conferred on trustees. They shall have all powers necessary, convenient, or appropriate to the purposes and ends of this trust, and are authorized to take any action that they may deem proper to carry out such purposes.

D. Trustees shall have the powers, among others, to purchase or otherwise acquire property, and to sell, exchange, lease, mortgage, pledge, or in any manner dispose, encumber, improve, or deal with the property of the trust, or any part of such property or any interest in such property, on such terms and for such consideration and purposes as they deem proper.

E. Trustees may engage in business, manufacture, and deal in goods, wares, and merchandise, incur indebtedness, borrow or loan money with or without security, enter into contracts of all kinds, execute, accept, discount, negotiate, and deal in commercial paper and evidences of indebtedness, execute conveyances, mortgages, deeds of trust, leases, and any other instrument in writing; they may invest and reinvest the trust funds; they may compromise or settle any suits, claims, or demands, or waive or release any rights, relating to the trust estate or business; they may appoint and employ officers, agents, and attorneys.

F. Trustees may sue and be sued and prosecute and defend any and all actions affecting the trust or its business or property, either in the name of the trust or in their own names.

G. Trustees may adopt and enforce such bylaws or rules and regulations, not inconsistent with the provisions of this instrument, as they may from time to time deem expedient; they may adopt and use a common seal; they may vote in person or by proxy any stock belonging to the trust estate, and receive the dividends on such stock.

ARTICLE NINETEEN

APPLICATION OF TRUST FUNDS

A. Any act or thing done by trustees, or by the officers or agents of the trust under authority from trustees, shall, as to strangers dealing with such trustees, officers, or agents, be conclusively deemed to be within the purposes of this trust and within the powers of trustees.

B. No person dealing with trustees or any of them, or with any officer or agent of the trust, shall be bound to see to the application by the trustees of any funds or property passing into their hands or control.

ARTICLE TWENTY

LIABILITY OF TRUSTEES

A. No trustee shall be liable for any act or omission whatsoever of any other trustee or of any officer, agent, or employee of the trust.

B. No trustee shall be liable for any negligence or error in judgment, or for

any act or omission, except for his or her own willful breach of trust.

C. No trustee shall be required to give any bond or surety to secure the performance of the trust.

D. Every act or thing done or omitted, and every power exercised or obligation incurred by trustees or any of them in the administration of the trust or in connection with any business, property, or concern of the trust, whether ostensibly in their own names or in their trust capacity, shall be done, omitted, exercised, or incurred by them as trustees and not as individuals.

E. Every person contracting or dealing with trustees or having any debt, claim, or judgment against them or any of them shall look only to the funds and property of the trust for payment or satisfaction. No trustee, officer, or agent of the trust shall ever be personally liable for or on account of any contract, debt, tort, claims, damage, judgment, or decree arising out of, or preservation of, the trust estate or the conduct of any business of the trust. A stipulation or notice to this effect may be inserted in any contract, order, or other instrument made by trustees or their officers or agents, and on stationery used by them, but the omission of such stipulation or notice shall not be construed as a waiver of the above-stated provision, and shall not render trustees, officers, or agents personally liable.

ARTICLE TWENTY-ONE

REIMBURSEMENT AND INDEMNIFICATION OF TRUSTEES

Each trustee shall be indemnified by and reimbursed from the trust estate for any personal liability, loss, or damage incurred or suffered by him or her, including liability, loss or damage resulting from torts, in the administration of the trust estate or in conducting any business or performing any act authorized or permitted by this declaration of trust or any amendments to this declaration, except such as may arise from his or her own willful breach of trust; but such indemnity or reimbursement shall be limited to the trust estate, and no shareholder shall be personally or individually liable for such indemnity or reimbursement to any extent.

ARTICLE TWENTY-TWO

AMENDMENTS

B. Trustees may terminate and dissolve this trust at any time, but only with the assent of the owners of at least 100% of the shares, or their proxies, voting at a meeting called for that purpose pursuant to notice given as provided in this instrument and specifying the purpose of the meeting.

C. On the termination of this trust by any cause, trustees shall liquidate the trust estate, wind up its affairs, and dispose of its property and assets at public or private sales, and, after discharging all legal obligations of the trust, shall distribute the proceeds among the shareholders in proportion of their interests, and for these purposes trustees shall continue to act until such duties have been fully performed.
