In regards to our annual report/uniform business report, on our last report it shows that we have incurred a \$400 late fee penalty fee because we never received the first notice for filing. We have checked back on our records and there are no notices other than the one we have just received. We humbly ask to have the penalty removed and please accept the \$150 for the original filing fee.

Please reply back if there are any questions or replies.

Sincerely,

David Pak
