Division Of Corporations,

My company is new and struggling in this economy. Do to my ignorance I was not aware of the "annual report" filings with small business's that do not make money. Currently I understand a late fee was added which seems to be an un-fair amount. As noted on my report the address has changed and therefore my notice's were not observed. My company is unable to pay the \$550 fee required and would loose corporation status if no consideration is given. Please consider "excusing" this one time late fee as timely filing will now be implemented. My banking record shows no "annual reports" ever filed and therefore have not done so, and I do not recall receiving any other notice's except for this one which was forwarded.

Thank you for your consideration,

Russ Dehart-Pres
