Re: Document #F00000003779

Dear Florida Department of State:

Please see that I received this notice of revocation of our corporate status in the state of Florida due to failure to file an annual report/uniform business report, in accordance with Florida Statutes. This report was due by September 11, 2001.

This was the first year that we had been registered with Florida as a foreign corporation. I never received any other form in the mail with a request for this information until I received this notice. Task Management does business in many other states and this is the first time I have received a notice like this.

I called your office and the person that I spoke to told me that we have to pay a \$600 reinstatement fee in order to reinstate our corporate status. I would like to request that this fee be waived because I did not receive any earlier request for this information.

Please see that I am sending a check in the amount of \$150 for the annual registration of our corporation plus \$8.75 for a new certificate of status. I am hoping that this will be sufficient and that our corporate status will be restored. If this is not ok, please let me know and I get the \$600 dollars together and send it to you.

Sincerely,

Kristin Garrett-Jarvis
Treasury Secretary
