We have received your document for METRO DATA, INC. and your check(s) totaling \$78.75. However, the enclosed document has not been filed and is being returned for the following correction(s):

A business entity may not serve as its own registered agent. Please designate an individual or another business entity with an active registration or filing with this office, having a Florida street address identical with that of the registered office.

Pursuant to section 607.1502(4), 617.1502(4) or 608.502(4), Florida Statutes, this office collects a civil penalty of \$1000 for each year this entity transacted business or conducted its affairs in Florida prior to qualification and the appropriate annual report/uniform business report fees that would have been due this office had the entity qualified the year it began operations in this state. The amount due this office to cover both annual report/uniform business report and penalty fees is \$3,450.00.

Enclosed please find a copy of section 607.1501, 617.1501, or 608.502, Florida Statutes, which lists those activities that do not constitute transacting business in this state. If after reviewing this section you determine erroneous information was inserted on the application, a notarized affidavit containing the following information must be submitted: 1.) a statement indicating erroneous information was listed on the application; and 2.) the correct date the corporation began transacting business in Florida prior to the year the application was submitted did not constitute transacting business pursuant to section 607.1501, 617.1501 or 608.502, Florida Statutes.

If you have any questions concerning the filing of your document, please call (850) 487-6958.

RE: Metro Data, Inc.
REF. NUMBER: W00000004588

Dear Sir/Madam:

We are responding on behalf of the above-named taxpayer in regards to your notice dated February 18, 2000, a copy of which is enclosed. Your notice first advises that the business entity may not serve as its own registered agent and to please re-designate another person. In addition, it assesses a civil penalty of \$1,000 for each year that the taxpayer transacted business prior to its qualification and appropriate fees being paid.

During the year ended 1997, the taxpayer entered into an agreement to purchase the assets of an existing entity. The entity has had minimal activity. The taxpayer's prior accountant did not advise him that an application to transact business in Florida was required, along with the Annual Uniform Business Report. During January 2000, the taxpayer terminated his prior accountant and retained our firm to prepare the corporate filings.

Enclosed, please find a revised Application by Foreign Corporation For Authorization To Transact Business In Florida and the Uniform Business Report, along with the applicable fees.

We respectfully request that all penalties be abated due to the fact that the taxpayer relied on his prior accountant's erroneous advice regarding required filings when he purchased the company's assets in 1997. If you have any questions, please feel free to call.

Very truly yours,

Pamela A. Neuman, C.P.A.
