To Whom It May Concern:

Enclosed are our fully completed application, Vermont Certificate of Good Standing and check for a Certificate of Authority as instructed.

Reading through the exemptions did not clearly define an applicable one. We are a small, at home business that maintains records and does research for clients who are all situated out of state. We do not know if this entitles us to an exemption but would bring to your attention that we have complied with every request for filing we have received since we have moved to Florida. The first inkling that we had of this requirement was a notice postmarked October 23, 2000. The listed exemptions end with the notation that the list provided is not exhaustive. As a small business we have always prided ourselves on the timely and complete filing of any and all government forms. We had no knowledge up to and including the date of receipt that this was needed.

We have therefore completed the required forms and enclose payment.

Sincerely,

Larry Becker
