Re: Handex Environmental Management, Inc.

Dear Sir or Madam:

It is our understanding that the records of the Department of Revenue ("DOR") indicate the above corporation transacted business in the state of Florida and made a filing with the DOR in 1992.

We are currently requesting registration of the corporation as a foreign corporation with the Secretary of State of Florida. Said requested filing has been rejected because of the above record of filing with the DOR. A request has been made that the corporation pay penalty and registration fees totaling Nine Thousand Four Hundred Fifteen and 00/100 Dollars (\$9,415.00).

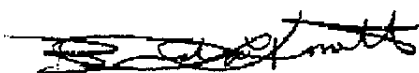

We confirm that the action taken by the corporation in the state of Florida and the filing with the DOR was an action that did not require the corporation to register with the state of Florida as a foreign corporation and that no business activity within the state of Florida requiring said corporation to register with the Secretary of State of Florida has ever been taken.

In accordance with the above statement, we request that you remove the requirement for Handex Environmental Management, Inc. to pay any penalty fees and charge only the fees required for registering a foreign corporation.

Please file the Application by Foreign Corporation for Authorization to Transact Business in Florida.

Please call me if you have any questions.

Sincerely,

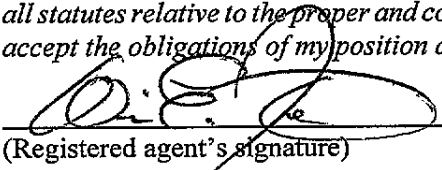

Brenda L. Knott
