Office of the Secretary of State:

In 2000, ICON architecture, inc. provided planning consulting services to the City of Coral Springs. At that time, we were not required by the City to be a registered Florida corporation and feel that our limited consulting activities did not require us to be registered.

However, we now have the opportunity to provide expanded services and the City has requested that we become registered as a Florida corporation. We want to do that and ask that you alleviate the penalty for being a non-registered corporation in 2000, a matter of which we were not aware at the time.

Please call Brenda Richards or me with any questions regarding this request.

Sincerely,
ICON architecture, inc.

Steven A. Heikin
Principal

I hereby certify that all statements made hereon are true to the best of my knowledge and belief.
