Every corporation out of state or in state has to file a UBR report each year. The report is mailed out to each company in January. The report is due by May 1st of the following year after the corporation is filed.

You have received the 2nd notice in which the report is late. If you did not receive the 1st notice send in the report that you have with the regular fee of \$150.00. Also send a letter indicating you did not receive the first notice.

Please forgive me if I asked dumb questions, but this is the first time I have been involved with this tax information. I am little confused on this, so I called an accountant who handles our end of the year taxes and he said I was "delinquent" because I received this notice. Can you tell me when the original notice and reminder was sent out? I have not record of one being sent, not of one sitting in our file.

We are registered in the State of Delaware doing business in the State of Florida, so does that mean we still file corporation info. with the State of Florida? We are still trying to get our company going, do not have any employees as yet, and have no income from this company. I say that because I am not sure we were to get the 2002 UBR notice for \$550.00 payable by Sept. 13th.

I of course will pay it, but did I not pay \$150.00 this January to do business in Florida? If so wouldn't that have been the original UBR paid. If not, please send me if you can a list of things I will have to pay throughout each year to the State of Florida. We are hoping to be successful shortly and be able to hire an accountant, as well as others, so that these things won't get missed any longer and understood more then what I do.

Thank you for anything you can assist me with.
