Re: UBR filing

Hello,

Enclosed is the UBR for our company. Because of having breast cancer I am behind in my paperwork. This filing is 20 days late but I am requesting abatement of the penalty.

Being the person at our company who handles the paperwork and with the burden of cancer, the extra cost of it and with small children I am having trouble keeping up. We moved the family to Florida for my cancer treatment. I have had 9 surgeries, chemotherapy and radiation. I am doing better than last year but still was slow on my work. Some say chemo will do that to you for a long time.

So I sincerely apologize for the late filing but there was no intent to delay or dodge my obligations. I was just trying to keep my head near the top of the water.

Would you please abate the penalty on filing late for the reasons stated above?

Thank you so much for your consideration.

Sincerely,

Bonnie Wright
