We apologize for the delay in our response.

Our servers started experiencing overloads a few days before and after the May 1st deadline. Reports were going through but people were timing out a number of times before getting through.

The report can still be downloaded and mailed in with the regular filing fee. Please do so as soon as possible though. If you did not receive prior notice to file you can still file online but when the report loads you'll need to check off the late fee waiver (if applicable: LLC's and Non-Profits are not subject to a late fee) that is located next to the bold red paragraph.

If you are still having problems accessing the report please reply back to this message.

Subject: Online Annual Report Filing - May 1, 2007
Importance: High

I have been trying to file annual reports, online, for the following companies, today:

1. Document Number F01000006096 - Lacon, Inc. and
2. Document Number F01000005975 - Oakley Sales Corp

The website is not working properly and I called several telephone numbers listed on your website without an answer or I reach a message service.

I want assurance that if I am unable to file today that the two companies will not be penalized for late filing. I believe the penalty is \$400 per company. I hope to hear from you today.
