This filing is to correct the name of the entity by adding an ampersand "&" to the name to bring it into conformity with the records in the home state of Mississippi. The original formation document is attached, and the name was COBB ENVIRONMENTAL AND TECHNICAL SERVICES, INC., although it was not reflected in the Florida records that way. The Mississippi paper filings, prior to electronic records, reflected use of both the "and" and the ampersand, however, since the switch to electronic filings in Mississippi the name has the ampersand, as shown in the good standing attached.
