Re: Prestera Transportation, Inc.
W02000009933

Dear Lakysha Francis:

This is in response to your April 10, 2002 notice (copy enclosed) to the above referenced taxpayer.

This company was incorporated in Ohio in 1991. Since that date, they have been a responsible and conscientious taxpayer, striving to file all tax returns, reports, and licenses in an accurate and timely manner.

As reported, the Company began operating in Florida November 1, 2000. They were completely unaware of the need to file the "Application by Foreign Corporation for Authorization to Transact Business in Florida". As soon as they knew of the requirement, an application was prepared and mailed along with the proper fee and documentation.

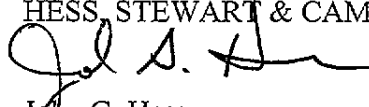

Your office is now imposing a penalty of \$2,000 for transacting business before the Company was qualified or approved to operate in Florida.

The Company respectfully requests the severe penalty be removed. Payment would be a detriment and would help create hardship. The Company intends to be operating in Florida permanently as a productive corporate entity, providing well paying jobs and expanding its business both in revenue and in employment numbers. The Company hopes that every consideration will be given to eliminate this large penalty.

If you should have any questions, please call us. Thank you for your attention to this matter.

Very truly yours,

HESS, STEWART & CAMPBELL, PLLC
