Note: Netflix, Inc. will only submit business addresses of the Company's Officers and Directors. Our Officers and Directors are high net worth individuals who go to great lengths to preserve their privacy, in large part out of personal security concerns for themselves and their families. In addition, Netflix is a highly visible company with a large and growing retail customer base. It is not unheard of for our customers to take customer service complaints to absurd levels. Access to residential information could allow these unreasonable consumer reactions to take place at the private residences of our Officers and Directors.
