Dear Ms. Brown:

This will acknowledge receipt of your letter dated February 28, 2003, concerning the authorization of the above referenced entity to transact business in Florida. A review of our files has revealed the following:

Your original application was received by our office on July 2, 2001. Said application did not meet our filing requirements and was returned to you for corrections on July 10, 2001. According to our file we never received a response to this letter.

Our subsequent review of the file revealed the following corrections are still needed before we can authorize your corporation to transact business in Florida:

#1) We need an original certificate of status from Oregon Secretary of State's office. The certificate must be dated within the last 90 days.

#2) Florida law requires the name of the corporation to include the word "INCORPORATED," "COMPANY," "CORPORATION," or words or abbreviations of like import that will clearly indicate that it is a corporation instead of a natural person or partnership. "LTD." is not an acceptable corporate suffix in the state of Florida. Therefore, you must add one of the preceding suffixes to the end of your corporate name in order to comply with Florida law.

Please note we can add the required corporate suffix to the name of your corporation listed in number one of the application with your permission. Simply advise us of the suffix of your choice.

Should you have any questions concerning this matter, please do not hesitate to get in touch.

Best wishes,

Hi Mrs. Tadlock,

I have enclosed a letter and an original certificate from the State of Oregon - dated 9/2002. I have contacted Oregon State and they will have current originals into our office by tomorrow (via Fed Ex). As soon as I receive them, I will certainly forward them on, regular mail if that is acceptable. I do not want anything to hold this up.

I also wanted to let you know that our company is incorporated. If you would like to add that to the end of our name, that would be great.

I would also like to express my sincerest thanks for your help. This deadline has come up "all of a sudden" and no matter how fast you move, it is never fast enough. Thank you so much for all of your help.

As I stated in the letter that you will receive tomorrow, if you could fax us the information needed prior to mailing, that would be fantastic.

If you should have ANY questions, please do not hesitate to call. If I should be unavailable, please talk with my supervisor, Dan Kinney.

Thanks again,

Jennifer Brown
