RE: Ref # W03000015453

Dear Ms. Thomas:

This letter is in response to the letter that you sent to my attention dated May 30, 2003.

We have addressed the issues that you brought up in your letter regarding the need for the registered agent and the fine that had been assessed to AppWorx Corporation. The explanations are as follows:

- Our employee that lives in the State of Florida has agreed to act as a registered agent on our behalf. He has signed the accompanying application.
- The original date of August 2001 that was posted on the application as the date of the first transaction was in error. This was actually the date that we were assigned a use tax account. We do, now, understand that we should have registered as a foreign corporation in the State of Florida prior to registering for a use tax account; it was a misunderstanding on our part and hope that it will not adversely affect this application process. But as of today, we still haven't transacted our first business in the state and have changed the application to read "upon qualification".

If you have any questions or concerns regarding this, please don't hesitate to call me at (425) 644-2121, ext 140 or you can email me at dibbetts@appworx.com.

Kind Regards,

Dean Tibbetts Controller
