RE: REGISTRATION to register a foreign Not-For-Profit Corporation

Dear Clerk:

Please find this letter and the enclosed documents in support of registering the subject corporation, with applicable fee for the purposes of filing with the Secretary of State.

As you will see the documents provided are the "Certificate of Good Standing" from the Oklahoma Secretary of State. Please note that I called the Oklahoma Corporate Division to order the required Certificate to be filed with Florida. I was advised by the clerk of that office that they no longer issue a certificate as has been done previously. Further advised that the certificates issued are by fax, or black and white copy, however said that a fax would be acceptable as it is now a new practice, as you will note at the fax identifier at the top of the page.

In an effort to make sure that this complies with your office, I called and explained the situation to your department which advised that this would be sufficient, as your office is aware of new practices with various Secretary of State divisions.

Therefore, please find the applicable documents and fee to be filed with your division. If you have any questions, please contact me at the above provided information.

Thank you for your assistance,

Mark Daniels
