You failed to make the correction(s) requested in our previous letter.

Unfortunately, the enclosed certified copy does not meet our filing requirements. We require a certificate of existence, which usually consists of a single sheet of paper and clearly reflects the entity is a valid entity in its home state/country. You can obtain the certificate of existence from the same office that provided you with the certified copy.

If you have any questions concerning the filing of your document, please call (850) 245-6043.
