Re: Slusser Dental Lab, Inc.
Reference Number W03000018578

Dear Sir/Madam:

We represent the above referenced corporation and have been asked to respond to your letter of July 8, 2004 (a copy of which is attached).

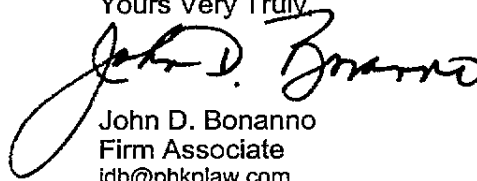

As stated in your letter, the corporation has been transacting business in Florida since March 1, 1999 without having registered with the Division of Corporations. Discussions with the principal owner of Slusser Dental Lab have indicated that upon entering the state, based upon professional advice the corporation was only required to register a DBA name.

It only came to the attention of the principal shareholder that the corporation was required to file as a foreign corporation when the corporation applied for third party financing.

The penalties that have accrued since 1999 now total \$5,750.00. Unfortunately the corporation is not in a financial position which would allow it to pay the penalties. Accordingly, we, on behalf of the corporation, respectively request the penalties that are now being assessed be abated. If a complete abatement of the penalties is unavailable, we respectfully request they be abated to an amount that the corporation is financially able to pay.

Should you request additional information, please call me.

Yours Very Truly
