We have received your document for SCAN THOLO USA, INCORPORATED and your check(s) totaling \$87.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

Unfortunately, the enclosed certified copy does not meet our filing requirements. We require a certificate of existence, which usually consists of a single sheet of paper and clearly reflects the entity is a valid entity in its home state/country. You can obtain the certificate of existence from the same office that provided you with the certified copy.

Pursuant to section 607.1502(4), 617.1502(4) or 608.502(4), Florida Statutes, this office collects a civil penalty of \$1000 for each year this entity transacted business or conducted its affairs in Florida prior to qualification and the appropriate annual report/uniform business report fees that would have been due this office had the entity qualified the year it began operations in this state. The amount due this office to cover both annual report/uniform business report and penalty fees is \$1,150.

Enclosed please find a copy of section 607.1501, 617.1501, or 608.502, Florida Statutes, which lists those activities that do not constitute transacting business in this state. If after reviewing this section you determine erroneous information was inserted on the application, a notarized affidavit containing the following information must be submitted: 1.) a statement indicating erroneous information was listed on the application; and 2.) the correct date the corporation began transacting business in Florida prior to the year the application was submitted did not constitute transacting business pursuant to section 607.1501, 617.1501 or 608.502, Florida Statutes.

If you have any questions concerning the filing of your document, please call (850) 245-6958.
