Dear Sir/Madame:

This letter serves as request for a waiver of penalty for not having registered to the State in due time while conducting business in Destin, Florida.

I would like to inform you that I had neither knowledge nor information in reference to the registration. Moreover, nor did my CPA have informed me as he handled off all of my business for which I will primarily hold him responsible for this delay.

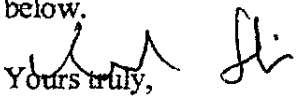

I have been recently informed by the Florida State Sale Tax Office that I had to registered to the State which had prompted me to take action and contacted you for the form for registration.

I have already been penalized by the sale tax collection department of the state and the counties for the same reason. Therefore I feel like I am a victim of not knowing what to do in regards to conducting business and its related matters. I have put the correct date of beginning of my business in the form which also shows my honesty in the matter

I feel it is unfair to be penalized constantly for the things that I should have done. Furthermore, I have not received any letter or document from the state to enlighten or guide me in the matter.

I beseech forgiveness from the State so that I will not have to pay such a great amount of penalty. I promise from now on I will be more cautious and careful in matters such as paying yearly fees etc. on time.

Should you have any questions or inquiries please contact me at one of my phones listed below.

  
Yours truly,
