We have received your document for INTERSTATE CONNECTIONS INC. and your check(s) totaling \$70.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an administratively dissolved/revoked entity. Names of administratively dissolved/revoked entities are not available for one year from the date of administrative dissolution/revocation unless the dissolved/revoked entity provides the Department of State with a notarized affidavit stating that they have no intention of reinstating, therefore, releasing the name for use to another entity.

Adding "of Florida" or "Florida" to the end of a name is not acceptable.

You must list the names and street addresses of the officers and directors of the corporation on the form/application.

The document must be signed by the chairman, any vice chairman of the board of directors, its president, or another of its officers.

Unfortunately, the enclosed certified copy does not meet our filing requirements. We require a certificate of existence, which usually consists of a single sheet of paper and clearly reflects the entity is a valid entity in its home state/country. You can obtain the certificate of existence from the same office that provided you with the certified copy.

A business entity may not serve as its own registered agent. Please designate an individual or another business entity with an active registration or filing with this office, having a Florida street address identical with that of the registered office.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call

(850) 245-6020.
