Please be advised this is Salvatore Minetta the president of Access Globe Hosting, Inc. originating from a New York Corporation. I moved to Florida only for a couple of years and was not sure if I needed to start the Corporation as a foreign entity but I did either way. All my customers are mostly from New York and I never had a Florida customer. My business is completely home-based (Web Hosting) and ran it out of my apartment in Florida from my computer at 52 west court, unit 101, melbounre, fl, 32904. I really do not even think I needed to start this foreign Corporation in Florida so I'm praying you will not hit me with any penalties.

Sorry for not consulting an attorney before I filled out the Florida paperwork.

Thanks again and have a nice day,

Salvatore Minetta
