We have received your document for JAYKAY SERVICES, INC. and your check(s) totaling \$78.75. However, the enclosed document has not been filed and is being returned for the following correction(s):

The designation of the registered office and the registered agent, both at the same Florida street address, must be contained within the document pursuant to Florida Statutes. The registered agent must sign accepting the designation as required by Florida Statutes.

Unfortunately, the enclosed certified copy does not meet our filing requirements. We require a certificate of existence, which usually consists of a single sheet of paper and clearly reflects the entity is a valid entity in its home state/country. You can obtain the certificate of existence from the same office that provided you with the certified copy.

In line 8, please give a brief description of the nature of the business that this corporation will be doing in Florida. Examples would be "consulting" or "retail store." If you need more space you may include an attachment.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6958.
