To Whom it May Concern:

Enclosed, please find an amended certificate of incorporation. The original certification was sent out 01/31/05 to your office and the date of incorporation was marked incorrectly on the certificate. I stamped, with my corporate seal, the correction on the form itself, but I am sure that you need an original on file. We are in the process of being awarded a contract for "beach warning signs" by the DEP, and this out of state registration was required for execution of the contract. Thank you for your understanding.
