Dear Mr. Bryan:

We appreciate your assistance with the registration process for our non-profit to be able to do business in the State of Florida. We received your correspondence explaining that the name of our company is already registered in Florida. Following the instructions received when calling the registration section, we agree to adopt the following name in order to register to do business in the state of Florida:

Collaborative Solutions of the Southeast, Inc.

We are applying to do consulting work with the City of Tampa. The application is due to the City of Tampa this Thursday, March 24, 2005. In order to meet this deadline, we are sending this required information to you today by FedEx and would like to ask that if our company meets registration qualifications that you send us documentation of this via FedEx. We are including a completed air bill to accomplish this. In our initial application we indicated we would like a certificate of status and we are still interested in this. However, if that will require a longer amount of time, we are hopeful in the short run that something can be sent to us quickly for us to include in our application to the City of Tampa. Please do not hesitate to contact me if you have questions. Again, we thank you for your assistance and appreciate your consideration of our time constraints.

Sincerely,

Sharon Fenstermaker
