Re: Futon Association of North America Incorporated

Dear Ms. Hodges:

Our client, Futon Association of North America Incorporated, has forwarded us the enclosed letter received from you assessing a penalty regarding their "Application by Foreign Not for Profit Corporation for Authorization to Conduct its Affairs in Florida."

It appears that this penalty was assessed because the date on line 6 of the application, "Date first conducted affairs in Florida," was 07/01/2004. We assisted our client in the preparation of this form and used the first date of our client's fiscal year. Although the client anticipates conducting business in Florida prior to the end of their fiscal year none will be conducted until the authorization is granted. This line should have been left blank.

As per our phone conversation, please accept their revised and signed application and abate the \$1,061.25 previously assessed.

Sincerely,

Gary D. Purdy  
Certified Public Accountant
