Dear Richard:

Please accept my resignation from the executive board of Veterans Support Organization, effective immediately.

I find that my position as a board of director are not being used to any capacity I feel that the executives of VSO have been keeping the board members in the dark on all aspects of business.

I personally have been asking for financials for the last 3 years and have only seen one copy at the beginning of 2012 the board have been promised a financial statement on a monthly bases and still have not received a single copy.

Board Member Mike Lameyer has requested several times to have a copy of the insurance covering the board of directors and as far as I know still has not received a copy of the insurance. I'm to assume that the board of director does not have insurance to cover us from personally getting sued.

In the last few years the only thing that the board of directors have voted on is if the president Richard Van Houten is to keep his position or to be fired.

I truly believe VSO has the potential of helping a lot of vets and can grow significantly but I no longer feel I can be part of the organization because I have no idea what direction the organization is headed there for this leaves me with no choice but to resign as a board of director.

Sincerely,

Robert L Cruz  
Board of Director
