Dear Sirs:

Due to some misinformation that we received in 2005 from Escambia County, with regard to obtaining an Occupational License and registering to transact business in the State of Florida, we did not register with your office at that time as we should have. Therefore, we are now submitting payment to you based on the recent information we received from your customer service department, in hopes that you will accept this amount to bring us current.

We were informed that we would incur a penalty as a result of failing to file when we first conducted business in the State of Florida, as well as having to pay the fees for the past and current annual reports and the \$70.00 registration fee. To that end, we are including our check in the amount of \$870.00 which we hope will cover all of the above items.

Please process our request at your earliest convenience and do not hesitate to contact us should you have questions, or require additional information. We will look forward to receipt of our letter of acknowledgment from your office.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lisa M. Hill', is written over a horizontal line.
