Dear Diane:

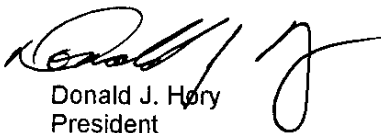

At your request I am following up on our phone conversation of April 28, 2006. A phone call I initiated in response to your letter dated April 18, 2006. A letter which states you are holding my check and registration document until I forward \$5,750.00 for civil penalties for doing business in your state prior to qualifying and submitting an appropriate annual report/uniform business report fees. After thinking about my conversion with Loria Poole and yourself I realize I still don't know what is expected of me other than you want \$5,750.00

Diane, We have been paying Florida Sales tax every month and we have been paying Florida Corporate taxes each year. We certainly have not been trying to cheat the State of Florida. In fact we started doing business in Florida by supplying goods and services to the State of Florida.

Diane we are a small New Jersey corporation trying to make a profit legally and we had no idea there was another Division we needed to register with and I'm very surprised the State of Florida has accepted our money all these months without someone telling us we're not registered. I'm also confused as to how the State expected me to know, a New Jersey company, that we had to register with your Division when the Tax collectors nor the Divisions within the your State government that we do business with ever mentioned this.

I believe this penalty is completely unwarranted and hopefully doesn't require further discussions. Thanks for listening and I await your response.

Sincerely,

Donald J. Hory
President

We have received your document for PERIPHERAL COMPANY, INC. and your check(s) totaling \$70.00. However, the document has not been filed and is being retained in this office for the following:

Received your letter about the penalty fee being unwarranted. The only thing I can do is lower the fee by \$500.00 per year. I can't lower the annual report fees because they are due by law every year. We will settle for the amount of \$3,250.00. If this is not acceptable you will need to send another letter and we will send it up for further review.

If you have any questions concerning the filing of your document, please call (850) 245-6913.

Dear Diane:

I am writing in response to your letter (# 206A00033514) of May 12, 2006, suggesting I write another letter so my request can be sent further up for review. I feel as though I'm being penalized for being an honest businessman. I knew I had to register in order to collect sales tax and I did. I pay our sales tax every month based on our small sales volume in Florida and I file our corporate taxes. If I had known or if someone had told me, I would have registered with your division at the same time. The initial \$5,750.00 and even the suggested settlement amount of \$3,250.00 is a great deal of money for my small company to pay, especially considering the small amount of sales we have in Florida. We file our sales tax and corporate tax in a timely manner and I'm hoping that by sending my request up for further review it will be taken into consideration. I am also including my initial letter for review.

Sincerely,

Donald J. Hory
