We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refax the complete document, including the electronic filing cover sheet.

I failed to notice the date you have showing in number 4 when I previously looked over your document. It seems you have the wrong date in that area and you will need to correct the date to show the same as the certificate shows when the change in Minnesota was made.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6903.
