## Office of the Secretary of State

Re: Original Documents

Dear Sir or Madam:

On August 6, 2001, the Office of the Texas Secretary of State converted to a new computer system. One of the many changes to procedure effected by the new system is the change to the look of the certificates of filing and certification of facts or copies by the Corporation Section.

Prior to our conversion, certificates issued by the Corporations Section were printed on special certificate paper that contained a pre-printed gold seal. Under our new system we are generating certificates using electronic signatures and black and white seals, and we are generating certificates over the WEB. Consequently, articles of incorporation, articles of organization, certificates of amendment, certificates of existence (certificates of status), and all other certificates issued by this office will no longer be on "gold-seal paper".

Attached to this letter is an original certificate prepared by our new system.

If you have any questions regarding this matter, please call me at 512-463-5578.

Very Truly Yours,

A handwritten signature in black ink, appearing to read "Clara Soto", with a long horizontal flourish extending to the right.
