Re: Florida registration of Interesorts Investments N.V.

Dear Ms. Golden,

I am in receipt of your letter of August 22, 2006 with regard to the to the Application by Foreign Corporation for Authorization to Transact Business in Florida, file by my client's CPA in Wyoming. Having reviewed your response to the initial application and having observed certain errors in the initial application, I am submitting a new, accurate application.

I have reviewed your comment regarding the requirement of Section 607.1503(2), Florida Statutes, as applied to the Certificate of Existence from the Netherlands Antilles, the original of which we have provided in English. The statutory requirement to provide a translation of the certificate only applies "to a certificate which is in a language other than the English language." Section 607.1503(2). In the present case, since we have provided to you a Certificate of Existence in the English language, no translation of any kind is required.

Finally, my client's CPA in Wyoming erroneously construed the date when my client first transacted business in Florida to mean the date when my client purchased real property in Florida. In fact, my client first began doing business in Florida in September, 2005. Pursuant to my telephone conference with you, I have included with this completed application, as agreed, a check for the civil penalty in the amount \$1,150.00.

Please find enclosed, therefore, the (1) completed cover letter and application to register my client, Interresorts Investments N.V. to do business in Florida, (2) a check for the civil penalty in the amount \$1,150.00, and (3) the required, original Certificate of Existence in the English Language. It is my understanding that you have retained the check in the amount of \$78.75 for the filing fee and Certificate of Status, sent in my previous communication.

Thank you for your continued and professional assistance in this matter. If you have any questions or require any additional information, please contact me at your earliest opportunity.

Very truly yours,

John A. Jabro
