Dear Sir or Madam:

I have enclosed my "application by Foreign Corporation for Authorization to Transact Business in Florida" along with an your form Cover Letter. Once you issue my company a registration number, I will file an application for registration of a Trademark or Service Mark for:

Professional Roofing Contractors, a division of Architects & Builders, Inc.

which is how we market and contract for our specialty roofing business. I am a licensed General Contractor in TN & AL but our initial interest for new business in Florida is for our roofing division. I may at a latter date take the General Contractors exam, so I would like to keep our purpose for the Corporation more general that specific to allow us to expand into that role in Florida as we grow our roofing business.

In February, I passed the Florida Roofing Contractors License Exams and will file for my Roofing Contractors License as soon as I can get these registrations.

I appreciate your assistance in these matters and look forward to doing business in the State of Florida.

Respectfully yours,

Larry W. Price, Pres.
