To file a conversion in the state of Florida, either the entity being converted or the entity that is the result of the conversion must be organized, incorporated, or formed under the laws of the state of Florida. An entity organized outside the state of Florida converting to an entity also organized outside the state of Florida cannot file a conversion in Florida. In this case, the converting entity must withdraw or cancel its Florida registration. Then, if the resulting entity will be transacting business in the state of Florida, it must re-register under the correct entity type.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6050.
