, please scan this document with the
below facts, into The GRAM Corporation's permanent, on-line viewable records file.

HERE ARE THE FACTS

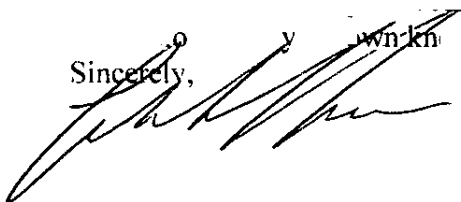

1. My Corporation is The GRAM Corporation; FIN# 58-1413374, a Georgia corporation since its start in 1979.
2. GRAM Corporation has only had two 50/50 shareholders, Georgia Rivers Salva (Me) and M.B. Rivers.
3. Georgia Rivers Salva became sole stockholder of The GRAM Corporation after M.B. Rivers death on April 15th, 1999 per her estate and default on a buyout. Georgia Rivers Salva remains sole stockholder to this day.
6. Mr. Hainline used The GRAM Corporations information (minus its proper Connecticut address) and a fraudulent address to *domesticate it in Florida, something I never wanted.
8. On February 17th 2009, I was forced to move
It is this address Mr. Hainline used when he *domesticated The GRAM Corporation without my knowledge or permission
Please note Mr. Hainline was never and will never be an "Officer" of the corporation.
9. Officers since 1999, always myself then Valerie E. Pfuhl, then myself as President and Secretary, then Karen LoveJoy and finally Melissa Pera.

What I am unsure about is the Florida filing. When Mr. Hainline listed the GRAM Corporation in Georgia, my offices were still in Woodbury, Connecticut.

Since Mr. Hainline was never an "Officer" of the corporation, but called himself "Vice President", no one signed (he used an electronic signature in his name and his home address and inserted his minor children and wife as officers) and his home address was the new address for the Florida corporation (as I said, the Georgia corporation address he gave had been condemned for four months.).

* qualify(ied) the Georgia corporation to transact business in Florida

Sincerely,

Georgia Rivers Salva
