RE: Advanced Automation, Inc.

Please find enclosed the registration application for Advanced Automation, Inc. While the Company was attempting to file its annual report, on April 30, 2008, the Company discovered that an error had been made regarding its initial registration.

On February 21, 2007 a registered agent, BizFilings, was acquired to act on behalf of the company in the State of Florida. It was the understanding of Advanced Automation, Inc., that BizFilings would also register the company with the Florida Department of State, however this registration was not completed. As soon as this discovery was made, the company began the registration process. Due to these circumstances, the company respectfully requests that any late filing penalties be abated. If you should have any questions, feel free to contact me.

Best regards,

Barbara Fitzgerald, Secretary
