Subject: EIN change for Red Bull Distribution Company, Inc. - Florida Department of State; Division of Corporations

Attachments: RBDC W9.pdf

To Whom it May Concern,

Please note that the EIN for Red Bull Distribution Company, Inc. presently on file with the State of Florida (980448925 as listed on the sunbiz site) does not match our actual current and most recent EIN (300480328 as indicated on the attached W-9).

Is any additional documentation required to update the EIN on file to properly match our existing and current EIN?

We are attempting to set up Utility service for a new Distribution center in Orlando, FL and require this change in order to activate the new service.

Please let me know if there is any additional information we can provide or if there are any additional questions or concerns.

(See attached file: RBDC W9.pdf)
