Re: Transfer Technology International Corp.
Reference number: W08000048932

Dear Ms. McKnight:

In reference to your letter of October 24, 2008, in which penalties are assessed, we respectfully request these penalties be abated. We set forth the following mitigating circumstances for your consideration:

First, although the Company was incorporated and first done business in the state of Florida September 2003, the current majority ownership and management did not have control until the end of 2007.

Secondly, no business has actually been transacted to date by the current ownership and management. There have been no receipts, no products sold, or services rendered in the State of Florida or any other jurisdiction. We are a startup company and as such, are not in a position to pay penalties.

Thirdly, when it came to our attention that we were not authorized to transact business in Florida, we immediately applied on October 20, 2008. Therefore, we request our application to do business in the State be accepted.

We look forward to a favorable response. Thank you in advance for your time and consideration in this matter.

Very truly yours,

Robert J. Calamunci, CPA
