To Whom It May Concern:

Enclosed is our resubmitted "Application by Foreign Corporation for Authorization to Transact Business in Florida".

As per your letter (copy enclosed), we have also enclosed a check in the amount of \$2,300.00 to cover the penalties and filing fees for failing to properly file annual reports in prior years. We have been filing income tax returns but were not aware of the requirement to register and file annual reports until notified by your department recently after years of filing income tax returns in Florida. Needless to say, we are unhappy with having to pay penalties at this point in time. Needless to say, we do recognize that it is our responsibility to understand the requirements to do business in your state but certainly if you're a "business friendly" state you could have done more to make us aware of your requirements given that we had been filing income tax returns there for many years.

Please call if you have any questions.

Sincerely,
