The redemption price shall be reduced by the amount of any return of capital paid to the holder of any Class A preferred share as of the date of such return of capital.

c) In the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, the holders of the Class A preferred shares shall receive, before any distribution of the assets of the Corporation is made among the holders of the Class B preferred shares and common shares of the Corporation, an amount equal to the redemption price for such shares plus an amount equal to any dividends declared thereon but unpaid.
