Call the Internal Revenue Service (IRS) @ 800 829-4933, tell them you filed a Florida Qualification Application so you can do business in Florida and request an FEI number. They should give you a number over the telephone and then they will send you through the mail a confirmation form and some other forms to fill out and return to them.

You may then email me with the FEI# they gave you and I will add it to our records and you and I will have completed all necessary to qualify your business this year.

Please read the confirmation letter I sent. It notifies you of an ANNUAL REPORT (name & information) that is due every year after the registration year. Your 1st annual report will be due 2011 January 1 through May 1 midnight.

My kindest regards

Mrs. Dale A. White
