Re: Rocky Creek Lumber Company
3447 Pelham Rd., Suite 100
Greenville, SC 29615

Dear Mr. Shivers:

Enclosed are the original foreign registration documents for Rocky Creek Lumber Company as well as a letter from your office dated September 27, 2010.

I spoke with your supervisor today and discussed our client's business operations in Florida. Based on my conversation with her today I realized that the effective date that our client begin business in the State of Florida should be March 1, 2010 and not December 15, 2009 – this was merely the date that we set our client up to begin payroll in the state. It was not until this year that actual business transpired in the state.

We would therefore like to request that you adjust your filing to indicate that business operations began in Florida in 2010. Based on this there should be no penalties or annual report fee due until next year.

We thank you for your cooperation in this matter. Should you have any questions please contact me at the address listed above.

Sincerely,

Mark J. Swanson, CPA
