We recently noticed that the FEIN shown on the Florida Department of State Division of Corporations website for the above-referenced company is incorrect due to a typographical error and not a change in the FEIN itself. The FEIN on the website is: 641431935. The correct FEIN is: 640431935. The correct FEIN was issued in June, 1965 and has not changed.

We respectfully submit this information and request that the record be changed to illustrate the correct FEIN for Heartland National Life Insurance Company.

Please contact me if you have any questions. I am performing administrative work through Equitable Life & Casualty Insurance Company for Heartland National Life Insurance Company.

Thank you for your assistance.
