We have received your document for MEETME, INC. and check(s) totaling \$43.75. However, the enclosed document has not been filed and is being returned to you for the following reason(s):

There is a balance due of \$43.75.

According to the application submitted to this office, this entity transacted business in the state of Florida before properly registering with the Florida Department of State, Division of Corporations. Consequently, a \$500 civil penalty and an annual report filing fee for each year the entity failed to properly file a Florida annual report are due this office. Based on the date entered on the application, the civil penalty and annual report filing fees total \$650.00.

Unfortunately, the enclosed certified copy does not meet our filing requirements. We require a certificate of existence or certificate of good standing, which usually consists of a single sheet of paper that clearly reflects the entity is a valid entity in its home state/country. You can obtain the certificate of existence or certificate of good standing from the same office that provided you with the certified copy.

A certificate of existence or a certificate of good standing, dated no more than 90 days prior to the delivery of the application to the Department of State, duly authenticated by the secretary of state or other official having custody of the records in the jurisdiction under the laws of which it is incorporated/organized, must be submitted to this office. A translation of the certificate under oath of the translator must be attached to a certificate which is in a language other than the English language. A photocopy of this certificate is not acceptable.

If you have any questions concerning the filing of your document, please call (850) 245-6052.
